

JOURNEY to the WEST 59

Scared Villagers

The group had spent the morning walking down
a long mountain trail. . .

A moment later the travelers saw the river. . .

The group walked to the village. . .

The Tang Monk stepped forward. . .

The travelers followed Chen to his home. . .

A few years ago, a terrible demon arrived. . .

Wukong giggled and then laughed. . .

I' m not laughing at you, sir. . .

“This is my son,” said Chen. . .

The next morning the boy climbed onto a small platform. . .

A fierce-looking demon emerged from the cloud.
