

JOURNEY to the WEST 65
The Metal Ring

The demon tied up the Tang Monk in a dark room. . .

“I know where you’ re going,” said the demon. . .

“Who are you?” demanded Wujing from the corner. . .

One-Horned Buffalo stood taller. “Well,
I’ m not afraid of him” . . .

He lifted his sleeve, revealing a metal ring around his arm. . .

Carrying food, Wukong returned to where
he' d left his friends. . .

“Open up!” shouted the monkey. . .

“Release my friends!” yelled Wukong. . .

Wukong pulled out his iron bar and
swung it at the demon. . .

The demon blocked it with his arm. . .

One-Horned Buffalo spun around,
holding up the metal ring. . .

It flew into the metal ring and vanished. . .
