

JOURNEY to the WEST 19

An Evil Plan

The head priest called for two other priests. . .

There was an evil look in his eye. . .

“Why are they starting a fire?” thought Wukong. . .

Wukong waited until the priests lit the wood on fire. . .

The priests screamed and ran as the fire shot across the courtyard. . .

Burned pieces of wood lay in heaps. . .

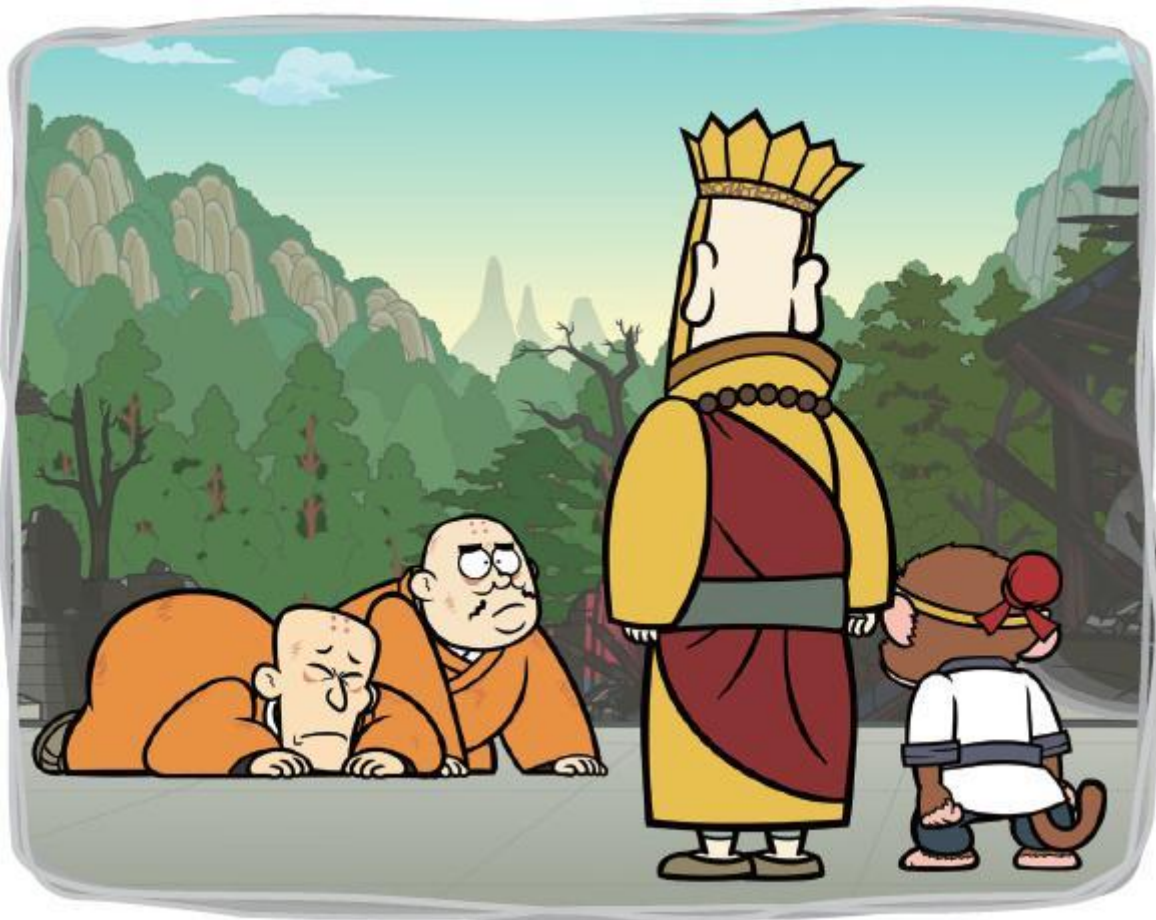

“Wukong!” cried the monk. “What happened here?” . .

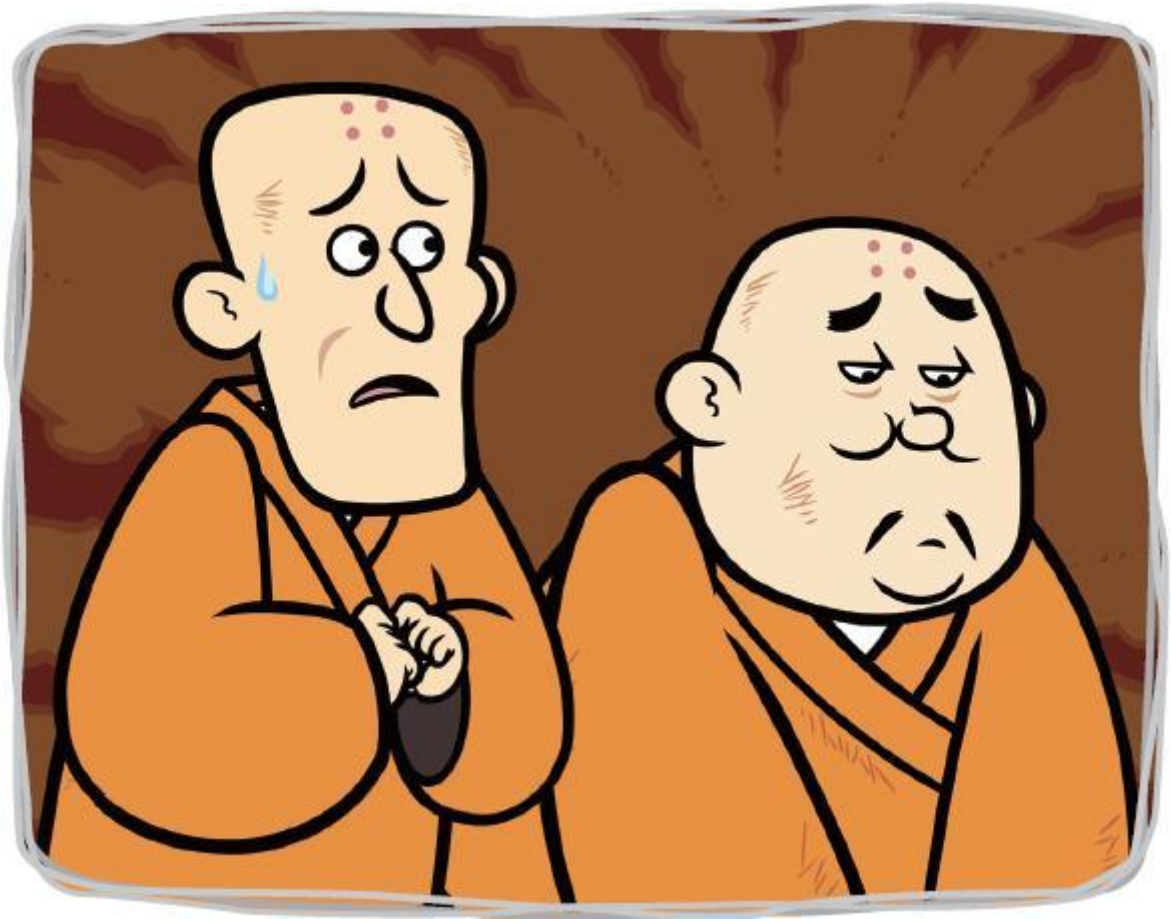

The Tang Monk was confused. “But that building is fine. . . .”

The Tang Monk's eyes filled with tears. . .

The two priests fell to their knees and bowed. . .

One priest said “The robe is gone!” . . .
