IV. IELTS Speaking Part 2 (20 mins)

1. Read the task card for 10 seconds and get a general idea of this topic. (1 min)

Describe a photograph of yourself that you like very much.

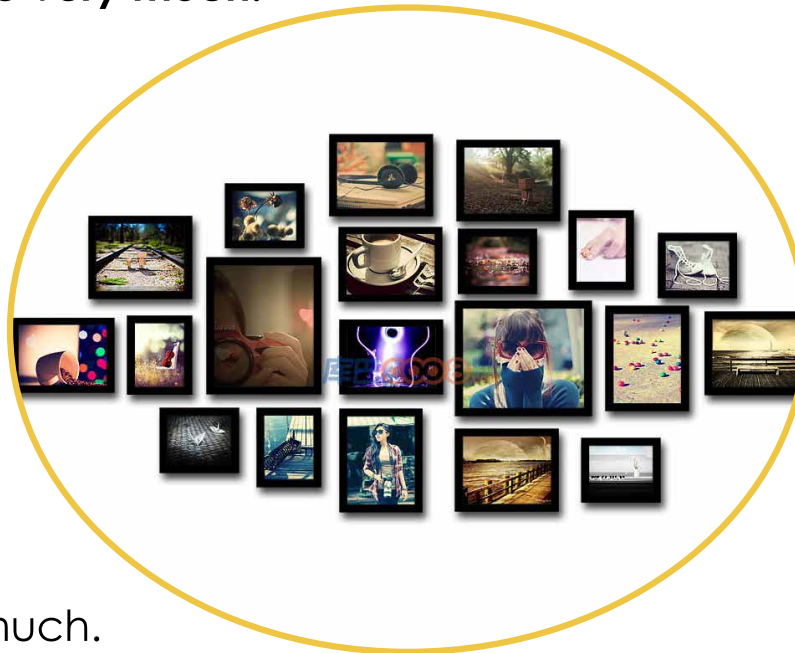

You should say:

who took the photograph

when the photograph was taken

what you were doing in it

and explain why you like the photograph so much.

In the real examination, the examiner will ask you to prepare for 1 minute.

2. Here are the two models for the IELTS Part 2. We will focus on the sentences highlighted below. Students are required to recite these two models after class. (10 mins)

Model 1

What, when and who: I would like to talk about a picture I took with a little puppy. It was taken when I was around one year old. My mom took this photo for me on a clear morning in summer.

What you were doing: In the picture, I was sitting in a pushchair, looking at the puppy and smiling. The little puppy was lying on my lap sleeping.

Why: I like every photo of me when I was little. I like this one the most because this is the only photo I have with my dog, Rocky, the puppy in this photo. Rocky has been dead for five years. When I look at this photo, I can remember his lovely face. I also look very cute in this photo. That's why I love this photo very much.

Model 2

When and who: During my high school **graduation trip**, my best friend in high school took a pretty photo for me. I like it very much.

What: In the photo, I was jumping high on the **sand dune** in the desert. Before I jumped, I held two opposite corners of a silk scarf with my hands. When I jumped up, with the power of the wind, the colourful scarf **spread** over my head.

Why: I love the photo a lot firstly because this photo is pretty. The colourful scarf, the sand dunes and I matched perfectly in the photo. Everyone who has seen the photo thinks it's awesome. Secondly, the photo is special. It was not an easy photo to take. I jumped tons of times to take this photo. Thirdly, the jumping me shows a young girl who was confident and full of energy. This photo gives me a big smile whenever I look at it.

You are required to talk for the full 2 minutes.

3. Imagine you are a candidate in the IELTS test. The teacher is an examiner. Please answer the questions below with what you have learned to develop your IELTS answers. (9 mins)

In some countries, there are large prizes or scholarships that the government gives to photographers. **Do you think** this is a good use of public money? If no, **why not**? If yes, **why**?
