What public holidays do you have in your country?

We celebrate a lot of public festivals in my country. I am sure you know about the Spring Festival which is the most important one. In addition, we get together with our family or **relatives** for the Mid-Autumn Festival and the National Day.

Which public holidays do you like the most?

Among all the public holidays, I like National Day the best. The reason is quite simple — this holiday is in autumn which is the most beautiful season in many places across the country, so I can have a nice trip during this holiday.

Do you prefer doing things indoors or outdoors on a holiday?

It depends on the weather. I like doing outdoor activities when there is good weather **while** I prefer to **kick back and relax** indoors when there is bad weather.

Shorten your answer to 2-3 sentences. It's easier to get 5.5.
