where you do it

who you do it with

and explain why you think doing this is healthy.

In the real examination, the examiner will ask you to prepare for 1 minute.

2. Here are the two models for the IELTS Part 2. We will focus on the sentences highlighted below. Students are required to recite these two models after class. (10 mins)

Model 1

What: Two years ago, I began to play badminton. I really enjoy this sport and still play it every Sunday, so I would like to talk about it.

Where and who: I usually play it with my classmates every Sunday morning. We play it in an indoor court on our campus so the weather never disturbs our game. Normally, we have a great time despite our T-shirts being totally soaked in sweat each time.

Why: Now I've been playing badminton for two years. I think this sport has definitely kept me fit. I used to be **overweight**. However, I've lost about six kilos by playing badminton regularly in the last 2 years. Meanwhile, after two years' practice, my body is much more **flexible** than before. This sport keeps me very healthy. I will keep doing it in the future.

Model 2

What: I'm going to describe cycling. It has become my favourite sport since last year.

Who and where: I often do cycling at least once a week with my friends. We usually grab our bicycles and helmets and leave for a ride in the afternoon. Most of the time, we do cycling in the rural area. We ride along the pathways and appreciate the beautiful scenery. When we feel tired, we stop to have a rest.

Why: In my opinion, cycling is a great activity which is beneficial to one's mental health. While cycling, I can enjoy the beautiful scenery of nature and feel the breath of the earth. It takes my mind off the stress of everyday life, which makes me feel totally relaxed. In addition, as I often go cycling with my friends, I can maintain a good relationship with them. All in all, this is really a healthy activity I enjoy doing.

You are required to talk for the full 2 minutes.

3. Imagine you are a candidate in the IELTS test. The teacher is an examiner. Please answer the questions below with what you have learned to develop your IELTS answers. (9 mins)

Key sentences

We celebrate a lot of public festivals in my country. I am sure you know about the Spring Festival which is the most important one. In addition, we get together with our family or **relatives** for the Mid-Autumn Festival and the National Day.

Among all the public holidays, I like National Day the best. The reason is quite simple — this holiday is in autumn which is the most beautiful season in many places across the country, so I can have a nice trip during this holiday.

It depends on the weather. I like doing outdoor activities when there is good weather **while** I prefer to **kick back and relax** indoors when there is bad weather.

I've lost about six kilos by playing badminton regularly in the last 2 years.

We ride along the **pathways** and appreciate the beautiful scenery. When we feel tired, we stop to have a rest.

While cycling, I can enjoy the beautiful scenery of nature and feel the breath of the earth. It takes my mind off the stress of everyday life, which makes me feel totally relaxed.

The next lesson will be Unit 6 Topic 1 Your favourite season.
