After class

Ostriches(鸵鸟) are the tallest birds in the world, but they can't fly. They are usually 2.4 – 2.8 meters tall. Sometimes, they can be very dangerous.

Monkeys are very clever. They can not only perform circus, but also learn from humans and use tools.

Hello, animals are our friends.
We'd better not feed animals on human's food in the zoo so that we can protect them!

你好啊，动物们是人类的朋友。
所以当我们去动物园的时候，最好不要随意拿人类的食物喂它们，这样可以保护它们！

See you next lesson!
