2. Here are the two models for the IELTS Part 2. We will focus on the sentences highlighted below. Students are required to recite these two models after class. (10 mins)

Model 1

What: My favourite dish is Chinese dumplings. It is a kind of traditional Chinese food. Most Chinese people simply say dumplings.

Where you eat it: My mom makes the most delicious dumplings in the world. I often eat them at home with my parents.

What the dish is made of: My favourite dumplings are made of pork and Chinese leaves. To make dumplings, we need to prepare flour, pork and Chinese leaves. Dumpling wrappers are made out of flour. Then we need to put pork and Chinese leaves inside the wrappers. After the dumplings are ready, we boil them in water for around five minutes. After that, the dumplings are ready to eat.

Why you like it: I usually eat dumplings with my family on special days, which makes dumplings special for me. What's more, because a dumpling looks like money in ancient China, I believe eating dumplings can bring me fortune. That is also what most Chinese believe.

Model 2

What: In winter, I often eat **spicy hotpot** with my friends.

Where: My friends and I usually go to the famous spicy hotpot restaurant called Haidilao. It is only 5 minutes away from my house by walking.

What it is made of: We usually **order** beef, vegetables, and noodles for our hotpot. Before putting food inside the pot, we need to wait for the water to boil. Then we put food in the water and wait 3-5 minutes. After that, our hotpot is ready.

Why: Spicy food is always my first choice. Spicy hotpot offers me both vegetables and meat, which is good for health. Hotpot is a traditional dish that Chinese people eat in winter. Eating hotpot in winter makes me feel warm. I always have a good time with my friends in the restaurant, too. That's why I like hotpot very much.
