Model 1

Who: Last summer vacation, my parents and I had an outdoor meal together.

Where: We drove to the lake outside the city. Beside the lake, there was a big tree. We had the meal under the tree.

What you ate and drank: We brought a lot of tasty food and drinks there. For the food, my mom prepared pies the night before. We also brought some salted meat and a grill with us. I barbecued chicken wings, lamb and ham. For the drink, we had several bottles of nice grape juice.

How you felt: I had a lot of fun during the meal. Having a meal together with my parents was joyful. It had been a long time since we had a meal together. Also, having lunch near the lake was a very good way to get away from the heat of summer.

Model 2

Who and where: Last spring, my friends and I went to Beijing **Olympic** Park for a picnic.

What you ate and drank: There were three of us. We **agreed** that each of us would cook our best dish and share it with each other. Christine brought spring rolls, Taylor brought Coke chicken wings, and I made a carrot cake. We also brought some **soft drinks** with us.

How you felt: Having a picnic with my friends was a lot of fun. My friends and I laughed a lot and shared our recent stories with each other. All the food was tasty. We tasted each other's best dish and I was glad that they loved my cake. Being surrounded by so many green trees in the Olympic Park was also relaxing. It felt like all my stress blew away with the wind.

You are required to talk for the full 2 minutes.
