Model 1

Name and where: Tsingtao is the place I've always wanted to visit. It is a coastal city along the eastern sea coast of China.

How you know of it: I've known Tsingtao since I was little. Tsingtao is super famous for its Tsingtao beer all over the world. I've seen my dad drinking Tsingtao beer since I was a little boy/girl.

What you would do: Like many tourists, I would like to visit the beaches in Tsingtao and have seafood there. I will also definitely drink Tsingtao beer there.

Why: I want to visit Tsingtao firstly because of its popularity. The world-famous beer attracts me to visit there. Secondly, since Tsingtao is famous for its beaches, visiting Tsingtao can fulfill my dream of watching the sunrise on the beach.

Model 2

Name and where: It has always been my dream to visit Japan.

How you know of it: I have known about Japan since I was a little boy/girl. It's a country to the very east of China and there has been a strong **bond** between these two countries since several thousand years ago.

What you would do: There are two things I would like to do in Japan. Firstly, I would walk in the cherry blossom parks in Kyoto. In spring, cherry blossoms there are like pink snow. Secondly, I wouldn't miss touring the **studio** where my favourite **anime** *Doraemon* was produced. *Doraemon* is anime about a robot that comes from the 22nd century.

Why: The first reason that I would like to visit Japan is because of its pretty natural sceneries, especially the world-famous cherry blossoms. Another reason is that visiting the place where anime is produced has been my dream. I have been a big fan of Japanese anime since I was a little boy/girl.
