Where: I'd like my dream house to be built on top of a mountain covered with woods.

What type: My dream house will be a three-storey house. It has to be big enough for me and my family.

How to decorate it: Outside the house, I will paint it green, the same colour as the leaves of the trees in the woods. Since we live near the woods, I'd like to have a garden to plant flowers and raise pets. Inside the house, I will put a big table in the middle of the living room so that my family and I will have enough space to have a party during the holidays.

Why: I believe everyone has a dream of having a peaceful place to live in, and so do I. I love the cool breeze and the very peaceful atmosphere of mountainous areas. What's more, having a big house and living with my family makes me feel fulfilled.
