A historical place

Read the task card for 10 seconds and get a general idea of this topic.

Describe an interesting historical place.

You should say:

what it is

where it is located

what you can see there now

and explain why this place is interesting.

In the real examination, the examiner will ask you to prepare for 1 minute.

3.2 Here is another model for the IELTS Speaking Part 2. We will focus on the sentences highlighted below. (4 mins)

Model 2

What and where: If I were given a chance to visit any places, the Taj Mahal would be my first choice. It is in New Delhi, India.

What you can see: The Taj Mahal is a tomb built around four hundred years ago by an emperor. This tomb was built for the emperor's wife, Mahal. The Taj Mahal looks like a palace instead of a tomb. It's all white. I assume it symbolises the pure love between the emperor and Mahal. The Taj Mahal is close to a river in New Delhi, which reflects the architecture in the water and makes the Taj Mahal even more breathtaking.

Why: The Taj Mahal is one of the New Seven Wonders of the World. It's worth visiting because it represents the romantic love between the emperor and his wife. In addition, its design, which displays the great architecture of ancient India, is considered marvelous even nowadays. That's why it is called the Pearl of India.

注 : Taj Mahal[tɑ:dʒ 'mæhæl]: 泰姬陵

You are required to talk for the full 2 minutes.
