Model 1

What, when and where: Three months ago, I bought a pair of **trainers** in a shopping mall that were my favourite colour, yellow.

Why you bought it: I bought these trainers because I wanted to do more exercises. All of my friends were posting photos of them exercising every week. I felt like doing something to keep healthy, too. On a sunny weekend, I went to a gym for suggestions. One of the coaches suggested I join a course but it was too expensive for me. Thus I decided to go for a run every day. Stepping out of the gym, I went to a mall and bought the trainers.

Why you don't use it: Once lazy, always lazy. For me, it's true. I've never worn those shoes except the day I bought them. I feel guilty, but I can't stop eating tasty food and staying comfortably on my couch watching TV. I sincerely hope one day I can put on those beautiful trainers and exercise **on a regular basis**.
