IV. IELTS Speaking Part 2 (20 mins)

1. Read the task card for 10 seconds and get a general idea of this topic. (1 min)

Describe one of your favourite films.

You should say:

what the film is

when you saw it

what the main content is

and explain why you like it.

In the real examination, the examiner will ask you to prepare for 1 minute.

2. Here are the two models for the IELTS Part 2. We will focus on the sentences highlighted below. Students are required to recite these two models after class. (10 mins)

Model 1

What and when: I saw *the Lion King* many years ago, but I still remember it clearly.

What content: The *Lion King* tells the story of Simba, a young lion prince of the Pride Lands. When Simba is young, his father is killed by Scar who is Simba's uncle. Scar makes himself the ruler. Simba has to run away from the kingdom. Many years later, Simba is told that his Kingdom is in serious trouble, so he takes up his responsibilities, returns, defeats his uncle and saves his kingdom.

Why: I like this movie because it is very inspirational. In the movie, Simba has suffered a lot in his childhood. However, he always looks on the bright side of life and is brave throughout. He overcomes all the difficulties and becomes the real lion king finally. Simba's story shows us that life is always full of difficulties, but positive attitudes and courage can help us overcome them all.

Model 2

What and when: My favourite movie is called *Love Is Not Blind*. I watched it two years ago.

What content: This movie tells the story of a girl who is named Xiaoxian. Xiaoxian is a wedding planner. Before she gets married, she finds out that her boyfriend has **cheated on** her with her best friend. She is deeply hurt and breaks up with her boyfriend. After that, she **buries herself in** work to keep the pain away. Besides that, she also keeps a diary about her feelings every day and writes down **encouraging** words to cheer herself. Finally, she recovers from her emotional loss after 33 days.

Why: I like this great movie because it was really encouraging to me. Before I saw it, I suffered from depression and felt helpless because my boyfriend left me. However, I got much inspiration after I saw this film. I tried out Xiaoxian's ways to cheer myself up — burying myself in studies and writing down cheerful words every day. Finally, I was free from the sadness of my own emotional loss.

You are required to talk for the full 2 minutes.

There is a big park in my neighbourhood. I usually go **jogging** in the morning there.

Most visitors are local residents. They have paid enough taxes, so they should have the right to enjoy **public facilities** for free.

Generally speaking, parks are for **residents** in cities to get close to nature. Besides, when some **natural disasters** happen, people can go there for safety.

In the movie, Simba has suffered a lot in his childhood. However, he always looks on the bright side of life and is brave all the time.

Simba's story shows us that life is always full of difficulties, but positive attitudes and courage can help us overcome them all.

Finally, I was free from the sadness of my own emotional loss.
