A rule in school

IV. IELTS Speaking Part 2 (20 mins)

1. Read the task card for 10 seconds and get a general idea of this topic. (1 min)

Describe a rule in school you agree or disagree with.

You should say:

what the rule is

why it is needed

how the rule is enforced

and explain why you agree or disagree with this rule.

In the real examination, the examiner will ask you to prepare for 1 minute.

2. Here are the two models for the IELTS Part 2. We will focus on the sentences highlighted below. Students are required to recite these two models after class. (10 mins)

Model 1

What: Like many schools in China, my school doesn't allow students to bring mobile phones to school. Actually, I don't agree with this rule.

Why: In 2002, mobile phones became very popular in China. Many student brought them to school. Our headmaster thought mobile phones would **have a bad effect on** our studies, so he made this rule.

How: All students are informed of this rule and have to **obey** it. If a student is caught using a mobile phone in school, teachers will take the mobile phone away.

Why you agree or disagree: I have to say I disagree with this rule. Students need mobile phones to contact their family members and friends, especially if something **urgent** happens. Besides, if given guidance, students can make good use of their mobile phones, which might actually have a good effect on their studies.

Model 2

What: Well, I'd like to talk about the rule that every student has to wear a uniform in my school.

Why: This is really a useful rule. It makes students **focus** their **mind on** studying rather than fashion. Besides, wearing uniforms helps students develop a real sense of **belonging** and **discipline**. Therefore, this rule is very needed.

How: This rule is well enforced in my school. Students who do not wear uniforms in school may be fined or given a warning. Besides, if a student doesn't wear school uniforms more than three times, he or she will not be allowed to attend classes, unless he or she promises to obey this rule strictly.

Why you agree or disagree: I am **in favour of** this rule because it makes all students feel equal. Apart from that, it leaves a special memory of school life.

You are required to talk for the full 2 minutes.

3. Imagine you are a candidate in the IELTS test. The teacher is an examiner. Please answer the questions below with what you have learned to develop your IELTS answers. (9 mins)

Describe a rule in school you agree or disagree with.

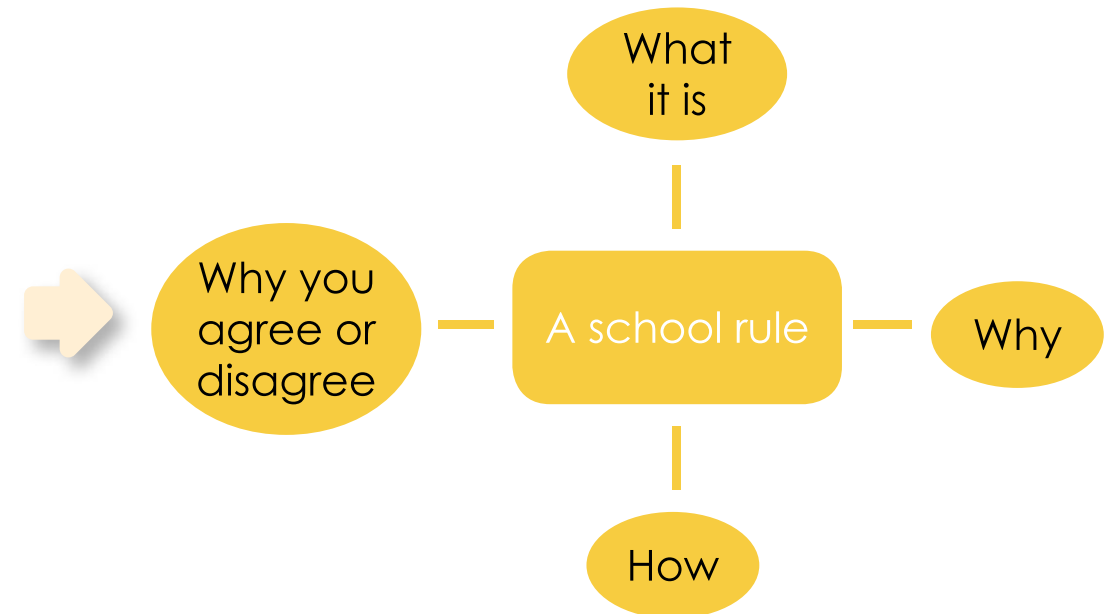

You should say:

Homework: please use the models further for these 2 topics after the lesson.

Describe something you are not satisfied with at school.

Describe a piece of advice you would like to give to your school.
