A project or some work you did with others

IV. IELTS Speaking Part 2 (20 mins)

1. Read the task card for 10 seconds and get a general idea of this topic. (1 min)

Describe a project or some work that you did with others.

You should say:

what the project or work was

when you did this

who was/were with you

how you guys did it

and explain how you feel about it.

In the real examination, the examiner will ask you to prepare for 1 minute.

2. Here are the two models for the IELTS Part 2. We will focus on the sentences highlighted below. Students are required to recite these two models after class. (10 mins)

Model 1

What, when and who: My classmate Jimmy and I made a **presentation** about the Chinese Spring Festival back in high school. It was quite an unforgettable part of my school life.

How you guys did it: Mr Miller, my oral English teacher, chose Jimmy and I to introduce the Spring Festival. Jimmy and I felt quite excited about this challenge. Jimmy wrote a few short paragraphs about the celebration, and I downloaded some pictures of the Spring Festival. Then we made the **slides** together. A few days later, we gave the presentation in front of the whole class. After the presentation, Mr Miller said we could have done better if we hadn't been so nervous.

How you felt: I really think this project itself was not very difficult. What I found to be the most difficult was speaking in front of a lot of people. However, that experience was very helpful for me. I've **built confidence** in public speaking since then.

Model 2

What, when and who: When I was a freshman in my university, I worked with five classmates on a survey. This survey was about the working conditions of Chinese teachers.

How you guys did it: Our goal for the project was to offer suggestions to improve teachers' working conditions. In order to achieve it, we designed a questionnaire together to get the opinions of at least 500 teachers. We did face-to-face and phone interviews. At first, we were turned down by many teachers. However, we didn't lose heart and kept trying.

How you felt about it: In the end, we got 420 questionnaires filled out. Although we didn't reach our goal because of the time limitation, I think the project was successful because we learned a lot about teamwork. Apart from that, we gained ideas on how to improve.

You are required to talk for the full 2 minutes.

3. Imagine you are a candidate in the IELTS test. The teacher is an examiner. Please answer the questions below with what you have learned to develop your IELTS answers. (9 mins)
