Model 1

What: I am going to talk about an advertisement for Hennessy, which is one of the most famous wine brands in the world.

When and where: I could not remember the exact time I saw it, but I think it should be a rainy Sunday afternoon. I stayed at home and watched TV to kill time. When I was about to turn off the TV, I saw this advertisement.

Why: In this advertisement, a very handsome man held a glass of Hennessy X.O. He smiled gently and said in a very attractive voice, "to me, the past is black and white, but the future is always colour". Actually, this advertisement was not that creative, but I was deeply impressed by the advertisement's words. It sounded beautiful like a poem.

Model 2

What: I have seen many interesting advertisements. The one which impressed me a lot is the commercial advertisement for Chenguang pens.

When and where: Two weeks ago, I stayed at home and watched TV with my mother. During the break of a famous reality show, we saw this advertisement. The ad started with a boy in primary school and ended with him in a university. In between, the ad showed he wrote his homework with Chenguang pen and some of the successes he had achieved. At last, the boy in the ad owed all his success to the Chenguang pen, his silent partner.

Why: It was really a creative and touching ad. It presented pens as silent friends. They helped people achieve success and remained silent all the time. They were the real silent heroes.

You are required to talk for the full 2 minutes.
