III. IELTS Speaking Part 1 (10 mins)

**1. Please read and remember the answers for each question in the IELTS Part 1 if needed.
(5 mins)**

What is special or unique about your country?

China has the largest population in the world. China is also known for having many **rare species**, such as the giant panda.

What industries are there in your country?

Both the **heavy industry** and **light industry** play an important role in China, for example, the car industry and computer industry.

If you could change one thing about your country, what would it be?

I would like the **smog** in China to disappear because it is bad for our health.

Shorten your answer to 2-3 sentences. It's easier to get 5.5.

2. Imagine you are a candidate in the IELTS test. The teacher is an examiner. Please answer the questions below with what you have learned to develop your IELTS answers. (5 mins)

What is special or unique about your country?

What industries are there in your country?

If you could change one thing about your country,

what would it be?

Tips for getting a higher score:

1. Answer directly
2. Give reasons
