A traffic jam

IV. IELTS Speaking Part 2 (20 mins)

1. Read the task card for 10 seconds and get a general idea of this topic. (1 min)

Describe a time when you were caught in a traffic jam.

You should say:

when and where it happened

how you passed the time when you were waiting

and explain how you felt when you were in the traffic jam.

In the real examination, the examiner will ask you to prepare for 1 minute.

2. Here are the two models for the IELTS Part 2. We will focus on the sentences highlighted below. Students are required to recite these two models after class. (10 mins)

Model 1

When: One month ago, I planned to go travelling to another city by plane. On my way to the airport, I was caught in a traffic jam which was a total disaster.

Where and how you felt: I left home a bit late that day. To catch the plane on time, I took a taxi to the airport. Unfortunately, as soon as we got on the highway to the airport, we got stuck in a heavy traffic jam. We moved so slowly that I got totally mad.

How you spent: I was afraid of missing the flight so I asked the driver to drive fast, but he told me there was nothing he could do about it. I had no choice but to wait helplessly. Two hours later, I arrived at the airport only to find my plane had taken off. It was an unhappy experience but it taught me a lesson — it is better to start early when doing things.

Model 2

When and where: Last Friday, I took a taxi to my school in the morning. I have to say the traffic in Beijing is really a pain in the neck, especially during rush hour. About 25 minutes later, I got stuck in a traffic jam.

How you felt: I got quite upset at that time. My first class in the morning began at 8 o'clock and I needed to give a presentation in the class. The problem was that there was only 20 minutes left.

How you spent: I gave a call to my teacher and told her that I might be late. She told me that she would arrange other things instead and I'd better arrive as soon as possible. 10 minutes later, the flow of traffic eased up. Fortunately, I arrived in class on time and gave the presentation to my classmates successfully.

You are required to talk for the full 2 minutes.
