IV. IELTS Speaking Part 2 (20 mins)

Describe one of the dishes you like to cook the most.

You should say:

from whom you learned to cook it

how this dish is cooked

who you usually cook it for

and explain why you like to cook it.

In the real examination, the examiner will ask you to prepare for 1 minute.

2. Here are the two models for the IELTS Part 2. We will focus on the sentences highlighted below. Students are required to recite these two models after class. (10 mins)

Model 1

What it is and who taught you: I learned how to fry eggs with onions from an APP on my phone. The APP is called Smart Kitchen.

Whom you cook it for: I eat it almost every day. I only cook it for myself.

How: To cook this dish, three to four eggs and two onions would be enough. First, I chop the onions into small pieces, as small as possible. Then I mix the eggs and onions in a bowl. At the same time, I heat the pan with oil inside. Then I put the mixture into the pan and fry it for two to three minutes.

Why: Compared with other Chinese dishes, this dish is very easy to cook. Since I live alone, and I have never learned how to cook before, this dish really saves me. This dish has eggs and vegetables. It is healthy, too.

Model 2

What: I like to cook chicken soup the most. It is also my favourite dish.

Who taught you: It's my mom's favourite dish. I learned how to cook the dish online to surprise her on her 39th birthday.

How to cook it: To make chicken soup, I need two tomatoes, two pieces of chicken breasts and some ginger. First, I chop the tomatoes, chicken breasts and ginger into pieces. Second, I heat the pot and put some oil in it. When the oil is hot enough, I put the chicken breasts and tomatoes into the pot together with the ginger. After that, I put two cups of water in the pot and boil it for one hour. After one hour, the soup is ready.

Why and who you cook it for: Chicken soup is good for our health, especially for women. I feel proud that my mom thinks my chicken soup is tasty. I like cooking it for my mom and putting a smile on her face. It makes me happy.

You are required to talk for the full 2 minutes.
