III. IELTS Speaking Part 1 (10 mins)

**1. Please read and remember the answers for each question in the IELTS Part 1 if needed.
(5 mins)**

How has the food in your country changed since you were a child?

Compared with the food we ate during childhood, a larger **variety of** foods are available in China now. For example, foreign food like Korean food and Thai food can be easily found in China now.

How important is farming in your country?

Farming is very important in China. It supplies 90% of **farm products** that Chinese people need daily.

Do you think there will be enough food in your country? Why/why not?

No, I don't think so. China's population is still growing. China will need a huge **amount of** food. The Chinese may face a **food crisis** in the future.

Shorten your answer to 2-3 sentences. It's easier to get 5.5.

2. Imagine you are a candidate in the IELTS test. The teacher is an examiner. Please answer the questions below with what you have learned to develop your IELTS answers. (5 mins)

How has the food in your country changed since you were a child?

How important is farming in your country?

Do you think there will be enough food in your country?
Why/why not?

Tips for getting a higher score:

1. Answer directly
2. Give reasons

Key Words and Key Sentences Review

Key words

a variety of

farm product

an amount of

food crisis

Key sentences
