Describe the ideal home that you would like to live in.

You should say:

where it would be

what type of house it would be

how you would decorate it

and explain why you would like to live in this kind of home.

In the real examination, the examiner will ask you to prepare for 1 minute.

2. Here are the two models for the IELTS Part 2. We will focus on the sentences highlighted below. Students are required to recite these two models after class. (10 mins)

Model 1

Where: I would like to live beside the sea.

What type: I want to have a two-story house, with a big bedroom.

How to decorate it: I would like to decorate it with a princess style and make it look like a kingdom. My big bedroom must have a large window. From the window, I can view the sea at anytime I want. In my free time, I will invite my friends here for fun; when Christmas comes, I will put a big Christmas tree in front of my house.

Why: I would like to live beside the sea because I want to live far away from the city so that I can have peace and quiet. I also want to have a good view with the beautiful sunshine and beautiful sky. When I have time, I will lie on the beach, and all my troubles will go away.

Model 2

Where: I'd like to have a house in a quiet area close to public transport.

What type: I prefer living in a **high-rise flat**. I enjoy in living a flat where I can **overlook** the whole city. Meanwhile, It must be big enough for me and my family.

How to decorate it: I would decorate my home in modern style. I'd like to paint the wall in my favourite colours—blue and white. I will put a large-screen TV in the middle of the living room. I want to have a garden downstairs, too, so that I can read books and drink tea in the garden.

Why: My future ideal home must be quiet and convenient at the same time. I want to live in a high-rise flat because it's quiet at night, and no one can **disturb** me when I am sleeping. At the same time, it will be near public transport so that it will be convenient for me to go to work.

You are required to talk for the full 2 minutes.
