Topic 3—Lesson 2(下篇)

A song or a piece of music

IV. IELTS Speaking Part 2 (20 mins)

1. Read the task card for 10 seconds and get a general idea of this topic. (1 min)

Describe a song or a piece of music you like.

You should say:

what the song is

what kind of song it is

where you first heard it

and explain why you like it.

In the real examination, the examiner will ask you to prepare for 1 minute.

2. Here are the two models for the IELTS Part 2. We will focus on the sentences highlighted below. Students are required to recite these two models after class. (10 mins)

Model 1

What the song is: The song that comes to mind is "You Raise Me Up", which is one of the most popular songs in the world.

What kind of song or music it is: Actually, I don't know what kind of music it is. As far as I know, it is a song praising god, and it has been sung by more than one hundred stars all over the world.

Where you first heard it: The first time I heard this song was on the Internet.

Why you like it: I really like the lyrics of this song: "You raise me up, so I can stand on mountains; you raise me up, to walk on stormy seas." When I listen to this song, I feel thankful. Even though we are put in different circumstances, we should all be grateful. I believe we should be grateful because gratitude is more priceless (than success) in society.

Model 2

What the song is: I'm going to talk about my favorite song, "Two of Us" from the Beatles.

What kind of song or music it is: Actually, I don't know what kind of music it is. It sounds like country, light, jazz and soul music, so maybe this song is a combination of many styles.

Where you first heard it: The first time I heard this song was in a bar called "Star" in Beijing. It was on a weekend five years ago.

Why you like it: I like this song because it reminds me of when I first met the man who would become my husband. The music was playing; we were all singing this song loudly without caring about what the other people around us were thinking, and then we saw each other and said hello... Maybe that is why I love this song.

You are required to talk for the full 2 minutes.

3. Imagine you are a candidate in the IELTS test. The teacher is an examiner. Please answer the questions below with what you have learned to develop your IELTS answers. (9 mins)

Describe a song or a piece of music.

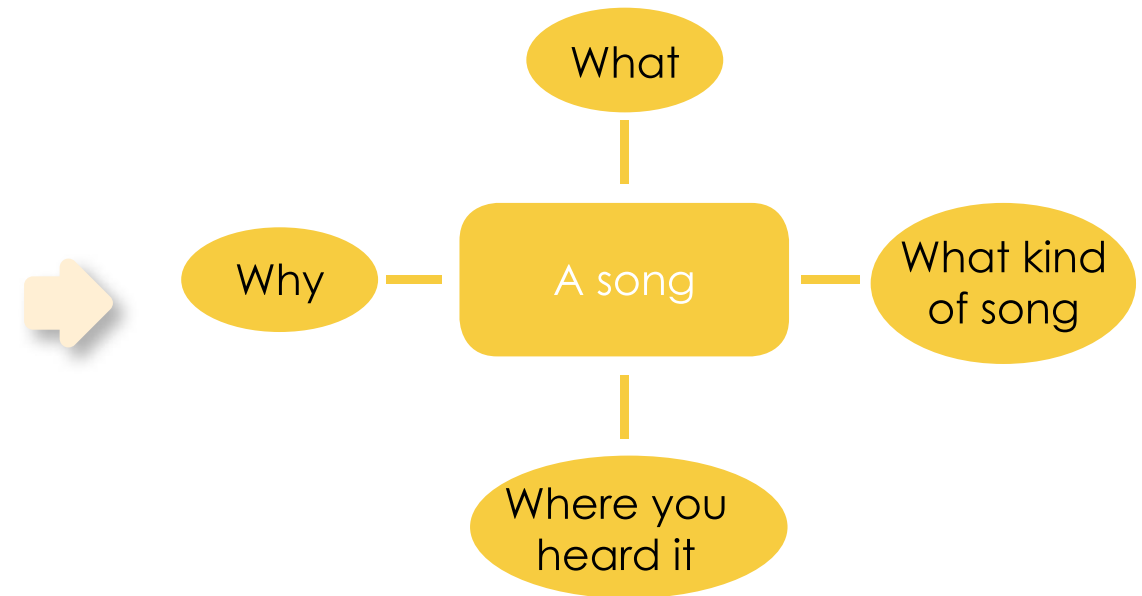

You should say:

what the song is

what kind of song is

where you first heard it

and explain **why** you like it.

Homework: please use the models further for these 2 topics after the lesson.

Describe a song that has a special meaning to you.
Describe a song or melody that you remember from your childhood.
