Unit 8 Technology and invention

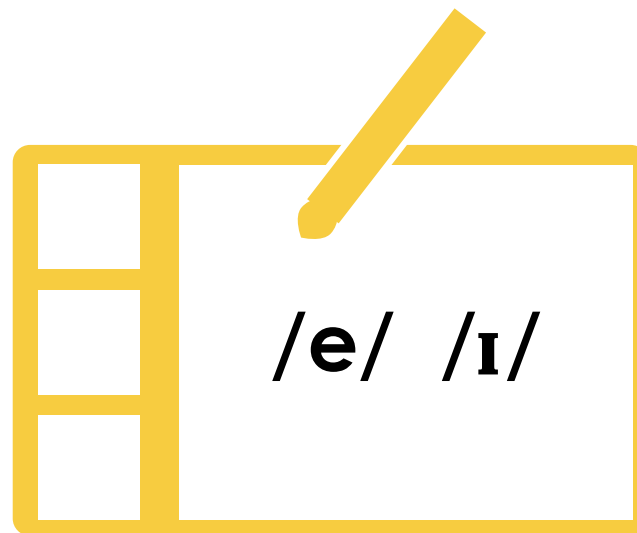

Topic 1—Lesson 1(上篇)

A piece of electronic equipment

I. Pronunciation practice (5 mins)

Now let's read and practice these confusing pronunciations.

II. Key words and key sentences (10 mins)

Read and learn the following key words and sentences for the IELTS. You are suggested to apply these words in the following steps.

Key words and sentences

usually

Example: I **usually** go to school by bike because as a student, I'm not really rich. Going to school by bike doesn't cost me anything.

far

Example: My home is quite **far** from my workplace, so I have to get up early in the morning.

driving licence

Example: People are not allowed to drive if they don't have a **driving licence**.

public transport

Example: Are you for or against **public transport**?

advanced equipment

Example: I'd like to talk about a piece of **advanced equipment**, the air conditioner.

instruction

Example: I learned how to use it just by the **instructions**, and I thought it was interesting to use this equipments.

amazing

Example: This is an **amazing** piece of electronic equipment which makes our life more convenient.

worth

Example: Our house is **worth** about 600,000 euros.

operating system

Example: The **operating system** is super user-friendly and I feel comfortable with it.

user-friendly

Example: This smartphone is really **user-friendly** and everyone speaks highly of it.

III. IELTS Speaking Part 1 (10 mins)

1. Please read and remember the answers for each question in the IELTS Part 1 if needed. (5 mins)

How do you usually travel to work or school?

I **usually** go to work by subway because Beijing is a huge city. Traffic jam is everywhere. Subway is the only way to help me escape from the traffic jam.

Have you always traveled to work/school in the same way? Why or why not?

Yes, I always go to work by bus or subway because my home is very **far** from my company, and I don't have a **driving licence** yet.

What changes would improve the way you travel to work/school? Why?

Developing more subway or bus lines and making the tickets cheaper would improve traffic conditions and encourage people to choose **public transport**.

Shorten your answer to 2-3 sentences. It's easier to get 5.5.

2. Imagine you are a candidate in the IELTS test. The teacher is an examiner. Please answer the questions below with what you have learned to develop your IELTS answers. (5 mins)

How do you usually travel to work or school?

Have you always travel to work/school in the same way?
Why or why not?

What changes would improve the way you travel to work/school? **Why?**

Tips for getting a higher score:

1. Answer directly
2. Give reasons
