A person who helps/helped people

IV. IELTS Speaking Part 2 (20 mins)

1. Read the task card for 10 seconds and get a general idea of this topic. (1 min)

Describe a person who has done a lot of work to help people.

You should say:

who this person is/was

where this person lives/lived

what he/she has done to help people

and explain how you know about him/her.

In the real examination, the examiner will ask you to prepare for 1 minute.

2. Here are the two models for the IELTS Part 2. We will focus on the sentences highlighted below. Students are required to recite these two models after class. (10 mins)

Model 1

Who: My mom is a person who **is willing to** help anyone in need around her and she never asks for anything in return.

Where and how: She has lived her whole life in my hometown, a small city. She always does her best to help others solve problems.

What she has done: My mom has joined an organisation called "Food Nation" which **donates** food to **the homeless** in my hometown. She works as a volunteer to help others there **three times a week**. She is always nice and kind to homeless kids. As a result, she has made many friends with the homeless.

Model 2

Who: Chris is my leader. He is a kind person who has done a lot to help others, so I think he is a person who **is worth talking** about.

Where: Chris lives quite near our company. He comes to his office early every day.

How you know about him: I first met Chris on the day he interviewed me. I felt very lucky to become a part of his staff once he hired me. I have worked with him for almost two years now.

What: In my opinion, Chris is a very helpful person. As an IT expert, he usually shares his knowledge with us, which helps us make much progress in our field. Also, he likes giving **transparent** feedback to us. Instead of telling us we are wrong, Chris often gives us the examples of how we can improve, which helps us improve our work efficiency. Nearly all my colleagues **look up to** Chris. He is a good leader who truly helps us a lot.

You are required to talk for the full 2 minutes.

3. Imagine you are a candidate in the IELTS test. The teacher is an examiner. Please answer the questions below with what you have learned to develop your IELTS answers. (9 mins)

Key sentences

In fact, bikes are not very popular in my hometown. My hometown is mountainous, so it's not suitable for **biking**.

No, I don't think bicycles are suitable for all ages. For example, kids can easily get hurt while cycling because it's hard for kids to **keep their balance**.

One of the most obvious **benefits** is that cyclists can avoid heavy traffic during peak hours. Another benefit is that it is more **environmentally friendly** to bike rather than to drive.

She works as a **volunteer** to help others there three times a week.

Instead of telling us we are wrong, Chris often gives us the examples of how we can improve, which helps us improve our work efficiency.

Nearly all my colleagues **look up to** Chris. He is a good leader who truly helps us a lot.

The next lesson will be Unit 1 Topic 5 The oldest person you know.
