Model 2

Whose, what and where: One thing our family does every year is gathering together in my grandmother's house and celebrate her birthday. Among all the birthday parties, the one I enjoyed most was her 80th birthday.

Who: My entire family were there, including my uncles, aunts, cousins, and grandparents.

What people did: We had a huge meal with my grandmother. We sat around our dinning table enjoying delicious food and chatting casually. After the meal, every family member gave my grandmother a gift and wished her a long life. My little cousin, Grace, even sang songs to liven up the party. All the family members enjoyed her songs and spoke highly of her sweet voice.

What you enjoyed: During the party, we talked a lot and laughed happily. It was a short time in which everyone could escape from the pressures of their normal lives. I enjoyed this part very much.

You are required to talk for the full 2 minutes.
