What content: This advertisement was very interesting. It was about, a student who felt so hungry that he could not **focus his mind on** studies, then one of his classmates gave him a chocolate pie. They shared their chocolate pie happily and became very close friends.

Why: After I saw this advertisement, every time I went to supermarkets or shops, I would buy a box of this chocolate pie, and then shared it with my friends. **By doing this, I made many new friends.** That is why I think this advertisement is impressive.
