3.1 Here is a model for the IELTS Speaking Part 2. We will focus on the sentences highlighted below. (4 mins)

Model 1

What: The only dish I know how to cook is fried rice with eggs.

Who taught you and who you cook it for: This is the most common dish in my country. My mom taught me how to cook it so that I could make breakfast on my own, and I only cook it for myself.

How this dish is cooked: Two eggs, some rice and some salt are the only ingredients I need to prepare for this dish. The rice is prepared one night **in advance**. In the morning, firstly I scramble the eggs in the pan. When the eggs are ready, I put the rice into the pan and mix it together with the scrambled eggs. Stirring for about two minutes, I add some salt and the dish is ready to eat.

Why: It only takes five minutes to cook fried rice with eggs. It saves my time that I can sleep more in the morning. From the procedure above you can see how easy it is to cook fried rice with eggs. It is healthy, too. In addition, it gives me **a sense of accomplishment** since I am able to cook breakfast on my own.
