3.1 Here is a model for the IELTS Speaking Part 2. We will focus on the sentences highlighted below. (4 mins)

Model 1

Where you ate: Believe it or not, the most enjoyable meal I have ever had was at home. On the day of my parents' 25th wedding anniversary, my sister and I surprised my parents by preparing a meal for them.

What you ate: My parents were so busy that they didn't have time to think about celebrating it at all. My sister and I decided to make some dumplings for them, since dumplings symbolise "together" in Chinese culture. My sister was in charge of making the dumplings, and I decorated the living room with some balloons. We also cooked my parents' favourite dishes--Kung Pao chicken and Mapo tofu.

Who you were with: When my parents came home from work in the evening, they were surprised by what we did for them. My parents asked us to have dinner together with them.

Why: It was a not that romantic but warm and sweet dinner. During the dinner, my parents told us a lot about their love story. It was my first time to know that they fell in love at first sight. I felt happy for them about their long and happy marriage. The dinner was like a big celebration for our family.
