雅思口语中高级

——冲刺 6.5 分

Unit 1 People

Topic 1—Lesson 2(下篇)

A family member you like

1. Read the task card for 10 seconds and get a general idea of this topic. (1 min)

Describe someone in your family who you like.

You should say:

how this person is related to you

what this person looks like

what kind of person he/she is

and explain why you like this person.

In the real examination, the examiner will ask you to prepare for 1 minute.

3.2 Here is another model for the IELTS Speaking Part 2. We will focus on the sentences highlighted below. (4 mins)

Model 2

How you are related: Generally, I like everyone in my family. My mother is the person I like the most.

What he/she looks like: My mom is forty-five years old. She is a small woman who is only five feet (1.52m) tall. Her hair is turning grey these days but her skin hasn't been attacked with wrinkles. My mom always dresses like a young lady. She smiles a lot. All these make her very attractive.

What kind of person: My mom is warm-hearted and she never fails to help those in need. She also has a mild manner towards others. She hardly gets offended because of others' careless words and actions.

Why: My mom is a role model to me. I like her kindness to people around her. I also look up to her for what she has done for our family. I would like to be as popular as she is among my friends and family. I am proud of being her daughter/son.

You are required to talk for the full 2 minutes.

4. Imagine you are a candidate in the IELTS test. The teacher is an examiner. Please describe the topic below with what you have learned to make your description better. (5 mins)

Describe someone in your family who you like.

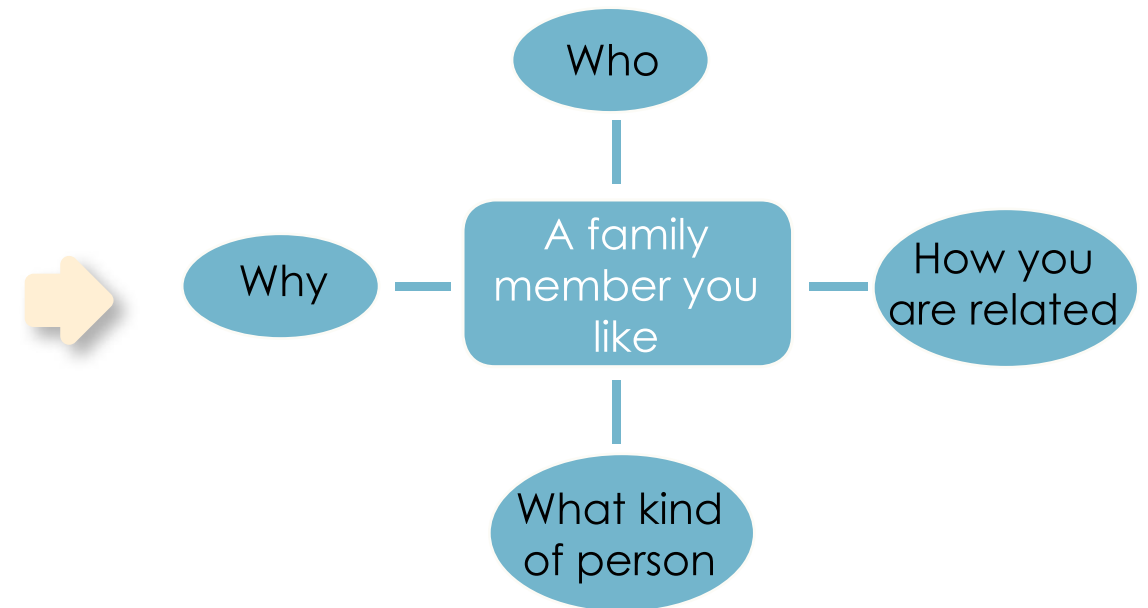

You should say:

how this person is related to you

what this person looks like

what kind of person he/she is

and explain **why** you like this person.

Homework: please use the models further for these 2 topics after the lesson.

Describe the person whom you admire the most.
Describe a person who has a great influence in your life.

IV. IELTS Speaking Part 3 (10 mins)

1. Read and learn the following key words and sentences for the IELTS Part 3. You are suggested to apply these words in the following steps. (5 mins)

Key words and key sentences

values

Example: Family members can be similar to each other in three ways. They usually look alike. They also usually have similar life habits, such as the way they eat and behave. Most importantly, they share similar **values** towards life.

genetic research

Example: Most of the time people get information about **genetic research** by searching it on the Internet. Some people also go to libraries and look up information about it.

moral issues

Example: Genetic research should be funded by government. If it is funded by private companies, they are going to benefit from the research. There may be some projects that cause **moral issues**.

2. Imagine you are a candidate in the IELTS test. The teacher is an examiner. Please answer the questions below with what you have learned to develop your IELTS answers. (5 mins)

Please give two supporting ideas at least for each question.

In what ways can people in a family be similar to each other?

Where can people in your country get information about genetic research?

Should this research be funded by governments **or** private companies?

Why?

Tips for getting a higher score:

1. Answer directly
2. Give reasons

V. Summary (5 mins)

Key words

be skilled at something

ballet steps

show an interest in

merit

skin tone

get offended

look up to

values

genetic research

moral issues

Key sentences

Even though I'm not **skilled at** dancing, I still enjoy doing it with my friends and family because it is a good chance for us to be together.

I took a course in dance and movement three months ago. I learned some **ballet steps** from my dance teacher.

There are a lot of competitions in schools and colleges in traditional dancing. Apart from that, foreign tourists **show an interest in** traditional dancing.

Family members can be similar to each other in three ways. They usually look alike. They also usually have similar life habits, such as the way they eat and dress. Most importantly, they share similar **values** towards life.

Most of the time people get information about **genetic research** by searching it on the Internet. Some people also go to libraries and look up information about it.

Genetic research should be funded by government. If it is funded by private companies, they are going to benefit from the research. There may be some projects that cause **moral issues**.

The next lesson will be **Unit 1 Topic 2 A famous person you would like to meet.**
