You should say:

what the river, lake or sea is called

where it is

what the land near it is like

and explain why you like this river, lake or sea.

In the real examination, the examiner will ask you to prepare for 1 minute.

3.2 Here is another model for the IELTS Speaking Part 2. We will focus on the sentences highlighted below. (4 mins)

Model 2

What and where: I am going to talk about the sea I went to last year. It was a sea along the southernmost province in China, Hainan. Truth to be told, it was my first time to see a sea.

The land near it: The land along the sea was attractive. The beach was surrounded by huge cliffs and rocks, and the sand on the beach was white and soft. There were not many people on the beach the time I went there. Some kids were walking on the beach, catching crabs. Some people were sunbathing on the beach.

Why: I loved the sea at first sight not only because of its natural view, but also because of the feeling it gave me. It seemed that the creatures living under the vast and mysterious water were beyond imagination. The sea sometimes was quiet and sometimes was loud. At night, the lighthouses standing far away on the surface made me feel safe. I stayed two days there and my stress was totally gone with the wind.

You are required to talk for the full 2 minutes.
