What: You may feel quite surprised because the thing I am going to talk about is a birthday card.

Who and why it was given to you: On my 22nd birthday, my grandfather gave me a birthday greeting card that I still have. I still keep it today. My grandfather used to write a card to everyone in the family on our birthdays. Sadly, my grandpa **passed away** a few months after my 22nd birthday, and this greeting card was the last thing I had from my grandfather.

My grandfather wrote a message on the greeting card and signed it. The message read "To my dearest grandson on his happy birthday. Live your life with happiness and joy".

Why it was important: This card is very important to me as it is a **precious** gift from my loving grandfather. His loving words and beautiful handwriting showed his great love for me. Whenever I look at this card and the message he wrote, I think of his happy and smiling face.

You are required to talk for the full 2 minutes.
