Why he/she is famous: Eminem is famous since he is the only white rap artist who has earned great fame. His lyrics are **inspiring**, too. His songs express exactly what people feel about love, life and relationships.

Why you want to meet him/her: I love him so much that I would like to interview him one day. There are some lyrics I don't quite understand and I want to ask him about them, such as "Had a dream I was king, I woke up, still king." It would be the best if he could teach me how to sing *Lighters*.
