Model 1

What/when/where/who: Three years ago I watched the play 'Romeo & Juliet' by William Shakespeare at the city theatre. The play lasted for about three and half hours, and I as well as the rest of the audience thoroughly enjoyed the play.

How you felt about it: As soon as the play began I noticed a long silence on the theatre except for the performers' voices and background music. The costumes of the performers were just the way they should be. Their dresses, stage, music, their make-up, their accent, and the excellent acting showed us a fantastic Romeo-Juliet play.

The professional acting, intense romantic tale and the tragic twist of tale make the play unforgettable and timeless. The production and acting were superb and highly acclaimed. I still remember a news article that acclaimed the actors and actresses of the London team and the superb performance of the great play.
