Model 2

What kind of performance it was: I'd like to talk about a New Year piano concert of Langlang, who is considered a piano **genius** in China. I am also a die-hard fan of Mr. Lang.

When and Where: It was held at the national theater in Beijing last year, which is a wonderful place to listen to a piano concert because of its wonderful facilities.

How I felt about it: I love playing the piano, so it was a good chance for me to see a master performing live. At this concert, I was fascinated by his performance, which made me feel sad or joyful, quiet or full of energy. The power of his music was **amplified** by the theatre and the feeling of his music rang in my ears.

At the end of this concert, everyone stood up to applaud his excellent performance. Anyway, this concert left me a beautiful memory. I hope one day, I can have a face-to-face talk to him.

You are required to talk for the full 2 minutes.
