Model 2

Who: The friend of my family that I remember from my childhood is Auntie Liu.

How you knew him/her: Auntie Liu has been our neighbour since I was five. She became a good friend of my mother, and later on, of my family.

How often he/she visited you: Auntie Liu used to visit our house almost daily, and we used to visit her on a daily basis as well.

Why you remember him/her: She is my role model on so many different levels and her job is extremely important because she and her job can influence and inspire people. She worked as a teacher in a middle school. She used to tutor me in mathematics and English. She was an elegant lady. She is always nice to people around her. We were so close that we were like her **extended family**. Auntie Liu doesn't have any children; she **treated** me **as** her child.

It's no longer for me to see her that often. I still think of her occasionally.

You are required to talk for the full 2 minutes.
