An important plant in your country

I. Pronunciation practice (5 mins)

Parents heard that the child lying in
bed wanted to get the little bird.

II. IELTS Speaking Part 1 (10 mins)

1. Read and learn the following key words and sentences for the IELTS Part1. You are suggested to apply these words in the following steps. (5 mins)

Key words and key sentences

conveniently

 Example: I personally like the area in which I live because it is **conveniently** located near important places. It's only a five-minute walk to the subway station and the nearest shopping mall. The only downside is that the grocery store is a fifteen-minute walk from my apartment, which is tiring when I am carrying a large load of groceries.

current

 Example: I move around a lot, so staying in one particular place for a long time is a challenge for me. I have lived in my **current** apartment for two years, but my lease will end in six months. Although I would really like to stay in this apartment longer, I am not sure it will be possible to do that.

virtually

 Example: There is **virtually** no traffic where I live now because my apartment is located away from the main highway and the only access to my house is between the building and the underground station. One major benefit is that I have never seen a traffic jam in my area, which is unusual for this city.

Extend your answer to 3-4 sentences. It's easier to get 6.5.

2. Imagine you are a candidate in the IELTS test. The teacher is an examiner. Please answer the questions below with what you have learned to develop your IELTS answers. (5 mins)

What do you think of the area in which you live?

How long have you lived there?

What about the traffic there?

Tips for getting a higher score:

1. Answer directly
2. Give reasons

In the real examination, the examiner will ask you to prepare for 1 minute.

2. Read and learn the following key words and sentences for the IELTS Part 2. You are suggested to apply these words in the following steps. (6 mins)

Key words and key sentences

notable

Example: With one **notable** exception, everyone replied to my letter.

modify

Example: Instead of simply punishing them, the system encourages offenders to **modify** their behaviour.

delicate

Example: **Delicate** plants need to be kept in a greenhouse during the winter.

adapt

Example: It takes time to **adapt** to a new working environment.

3.1 Here is a model for the IELTS Speaking Part 2. We will focus on the sentences highlighted below. (4 mins)

Model 1

What: One important plant that I know is bamboo. Bamboo has several qualities, not only as a source of food, but also as a **notable** cultural symbol.

What you know: A fact out of many that I remember clearly about bamboo is that it has higher compressive strength than wood, not to mention an impressive tensile strength that approximates to strength of steel.

Whether you like it: I have become fond of bamboo mainly because it is an important source of food. There are many dishes made of bamboo that I find delicious. Like one of my favourite dishes, an Indonesian dish, is made with sliced and boiled bamboo shoots which tastes really good.

Why: From my perspective, the major reason for the importance of bamboo in China is that its durable quality has given bamboo the spirit of toughness, which has been described millions of times in Chinese paintings, carvings and poems throughout history. This spirit, which has given us the faith and courage to undergo difficulties, has deeply **modified** our national identity.
