Birdhouse

We are going to learn how to make a birdhouse.

Warm-up

2 min

Who lives in these houses?

Reading

3 min

Read with the teacher and then answer the question below.

Birdhouses are **man-made** boxes for birds to nest in. They are built in the wild or in people's back gardens, to help birds have a safe home, where they can raise their family.

Why do people build birdhouses?

To be continued... >>

**Reading****4** min

Read with the teacher and then answer the question below.

Making a birdhouse is simple. First, buy a **board** and cut it into small pieces. These will be the roof, floor, and walls of your birdhouse.

What's the first thing you do when making a birdhouse?

To be continued... >>

Reading 4 min

Read with the teacher and then move to the Word Focus.

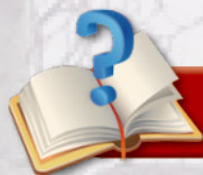

Then, put **glue** on the sides of the four walls of the birdhouse. Do the same with the pieces for the roof. Next, you can **assemble** the birdhouse, by **attaching** the roof and the floor to the walls.

Word Focus

- Some children like to **assemble** the pieces of LEGO.
- Have you **assembled** anything before?

To be continued... >>

**Reading****3** min

Read with the teacher and then answer the question below.

Finally, paint the birdhouse. Once the paint is dry, hang the birdhouse from a tree branch or a garden hook.

Where can we hang a birdhouse?

**Task****4**

min

Fill in the blanks to retell how to make a birdhouse.

First, buy a _____ and cut it into small _____.

Then, put glue on the sides of the four walls of the birdhouse. Next, _____ the roof and the floor to the walls, using the glue and nails.

Finally, after you _____ the birdhouse, _____ it. Once it is dry, _____ it on a branch.

Word Bank

board
pieces
assemble
attach
paint
hang
