$$\Delta NU = NQ - NW$$

A Beautiful Mind

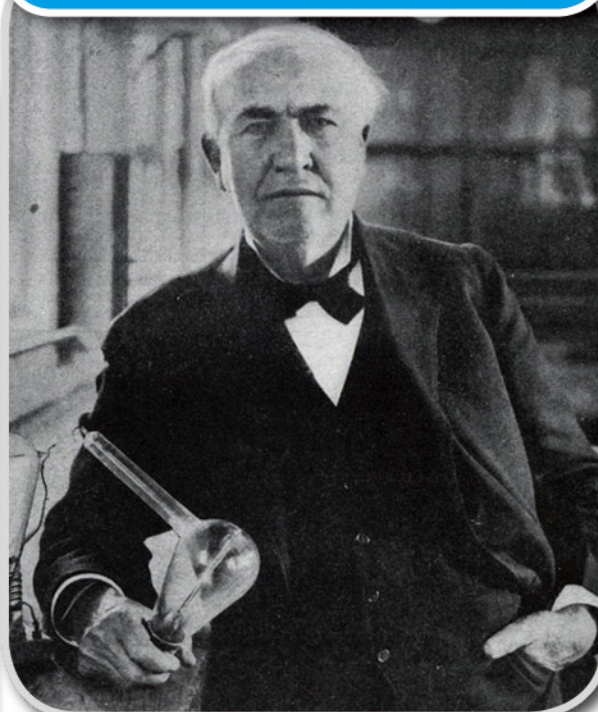

We are going to learn about the life of Stephen Hawking.

 Warm-up **2** min

Do you recognize any of these four great scientists?

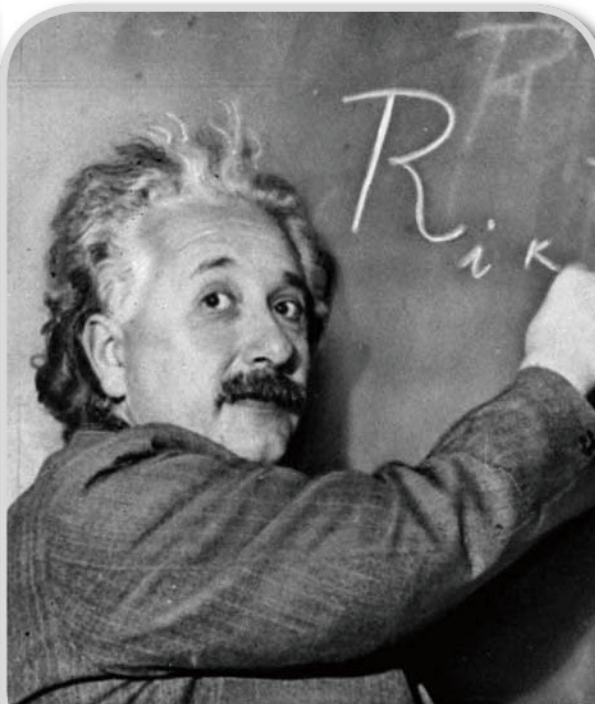

His initials: T. E.

His initials: N. T.

His initials: A. E.

Her initials: M. C.

Reading

3 min

Read with the teacher and then answer the question below.

Stephen Hawking was born in Oxford, England on January 8, 1942. He grew up in a highly educated family. Stephen loved math and science in school, where he had the **nickname** "Einstein."

Do you have a nickname?

Reading

4 min

Read with the teacher and then answer the question below.

While Stephen was working on his PhD at Cambridge University, he began to have health issues. **Shortly after** his 21st birthday, Stephen was diagnosed with ALS. This terrible disease has gradually **paralyzed** him over the decades.

What will happen when someone becomes paralyzed?

To be continued... >>

**Reading****4**

min

Read with the teacher and then move to the Word Focus.

Despite having ALS, Hawking has lived a full and **productive** life with the help of science and modern medicine. He has spent much of his time doing research on and writing books about the Universe. His book "A Brief History of Time" became a **bestseller**.

**Word Focus**

- This book is a **bestseller** because it sold millions of copies.
- How does a book become a **bestseller**?

To be continued... >>

**Reading****3** min

Read with the teacher and then answer the question below.

Stephen has received many awards, medals, and prizes for his great **contribution** to science. He dreams to make it into space one day, so he has trained in NASA's zero-gravity aircraft.

What will happen when you are in zero gravity?

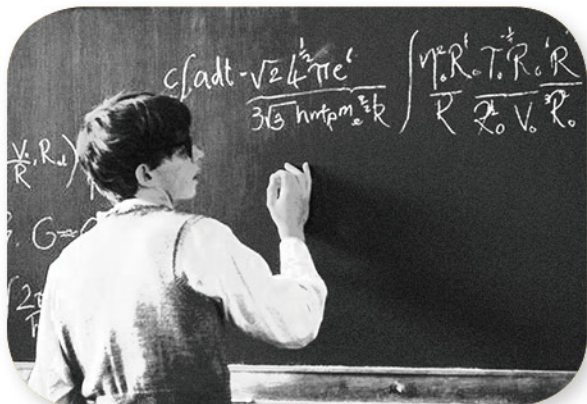

Let's practice. >>

**Task****4**

min

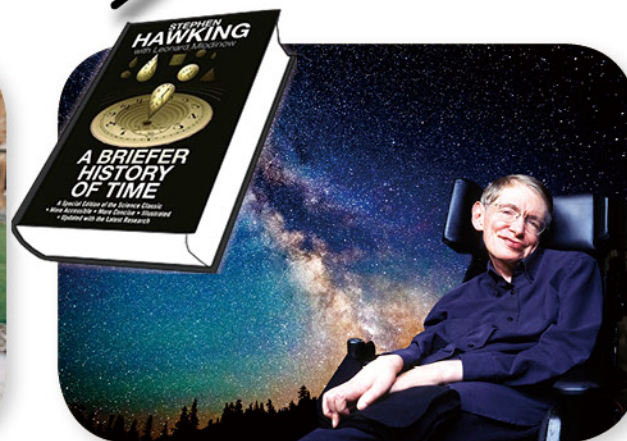

Summarize the lesson by using the format below.

Who?

Stephen Hawking,
nickname, Einstein,
math, science

When?

shortly after, 21st,
ALS, terrible,
paralyzed

What?

productive, research,
book, Universe,
bestseller

Why?

receive, award,
contribution, train,
zero-gravity

More challenges! >>

Leadership

4 min

Discuss with the teacher.

What do you think of the quote below?
I think ...

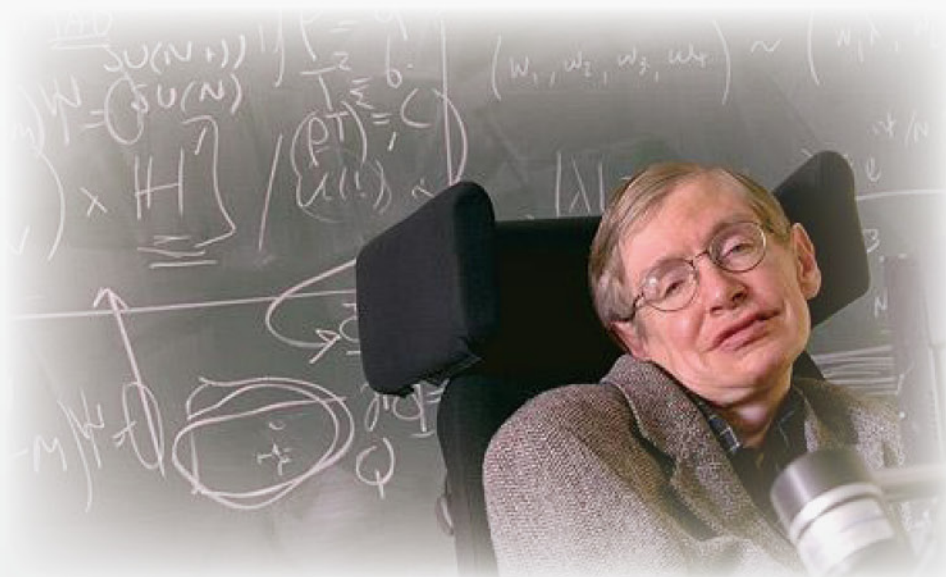

"Although I cannot move and I have to speak
through a computer, in my mind I am free."
Stephen Hawking

In this lesson, we...

learned about the life of Stephen Hawking.

learned new words/phrases.
