A Friend of Chimpanzees

We are going to learn about the life of Jane Goodall.

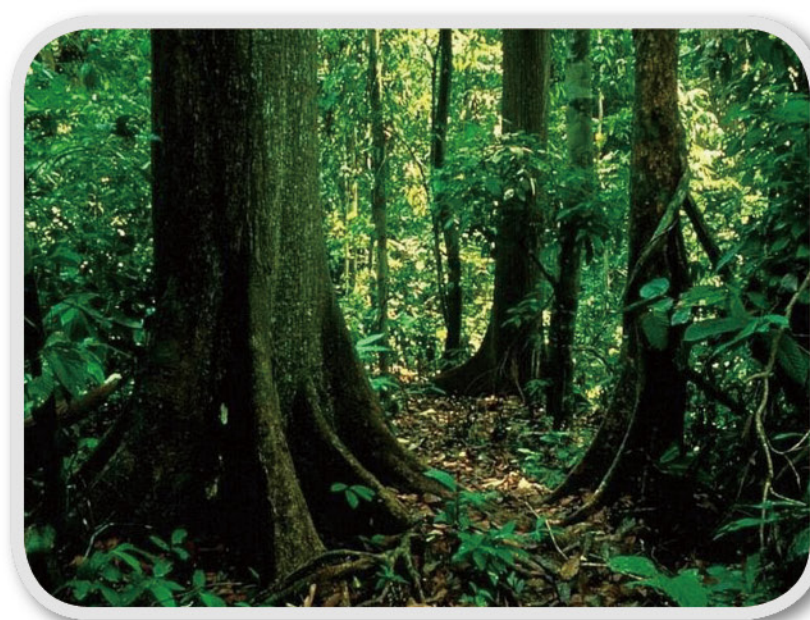

Warm-up

2 min

#1

#2

Where should chimpanzees live? Why?

Reading

4 min

Read with the teacher and then move to the Word Focus.

Jane Goodall was born in 1934 in London, England. She is considered to be the world's best **expert** on **chimpanzees**.

Word Focus

- Jane Goodall became an **expert** on chimpanzees after she studied them for many years.
- What would you like to be an **expert** on?

To be continued... >>

**Reading** **3** min

Read with the teacher and then answer the question below.

Jane Goodall is most famous for her fifty-five-year study on the **behaviors** of wild chimpanzees. Jane didn't just study the things that chimpanzees did, like hugging, kissing, and tickling, but also gave names to the chimpanzees she **observed**.

What makes Jane different from other experts on chimpanzees?

**Reading****4** min

Read with the teacher and then move to the Word Focus.

Jane was able to build up trust with chimpanzees by living among them. She realized that chimpanzees are like humans, as they have **rational** thoughts and emotions like joy and sorrow.

**Word Focus**

- It is **rational** to laugh when somebody does something funny.
- What is the **rational** thing to say if somebody gives you a present?

To be continued... >>

**Reading****3** min

Read with the teacher and then answer the question below.

Jane founded an **institute** in 1977 to help promote more understanding towards chimpanzees, as she knew how important it was to keep them protected in the wild.

Why did Jane Goodall set up an institute for chimpanzees?

Let's practice. >>

**Task****4**

min
