# All Sorts of Living Things

We are going to learn about biology classes in school.

**Warm-up****2***min*

What words would you use to describe this picture?  
Have you seen any other pictures like this? Where?

**Reading****3** min

**Read with the teacher and then answer the questions below.**

When Matt grows up his dream job is to become a vet. This year he is going to learn more about his dream job, as he and his classmates will study **zoology** in their **biology** classes.

Do you study biology in your school?  
Do you know what zoology is?

To be continued... >>

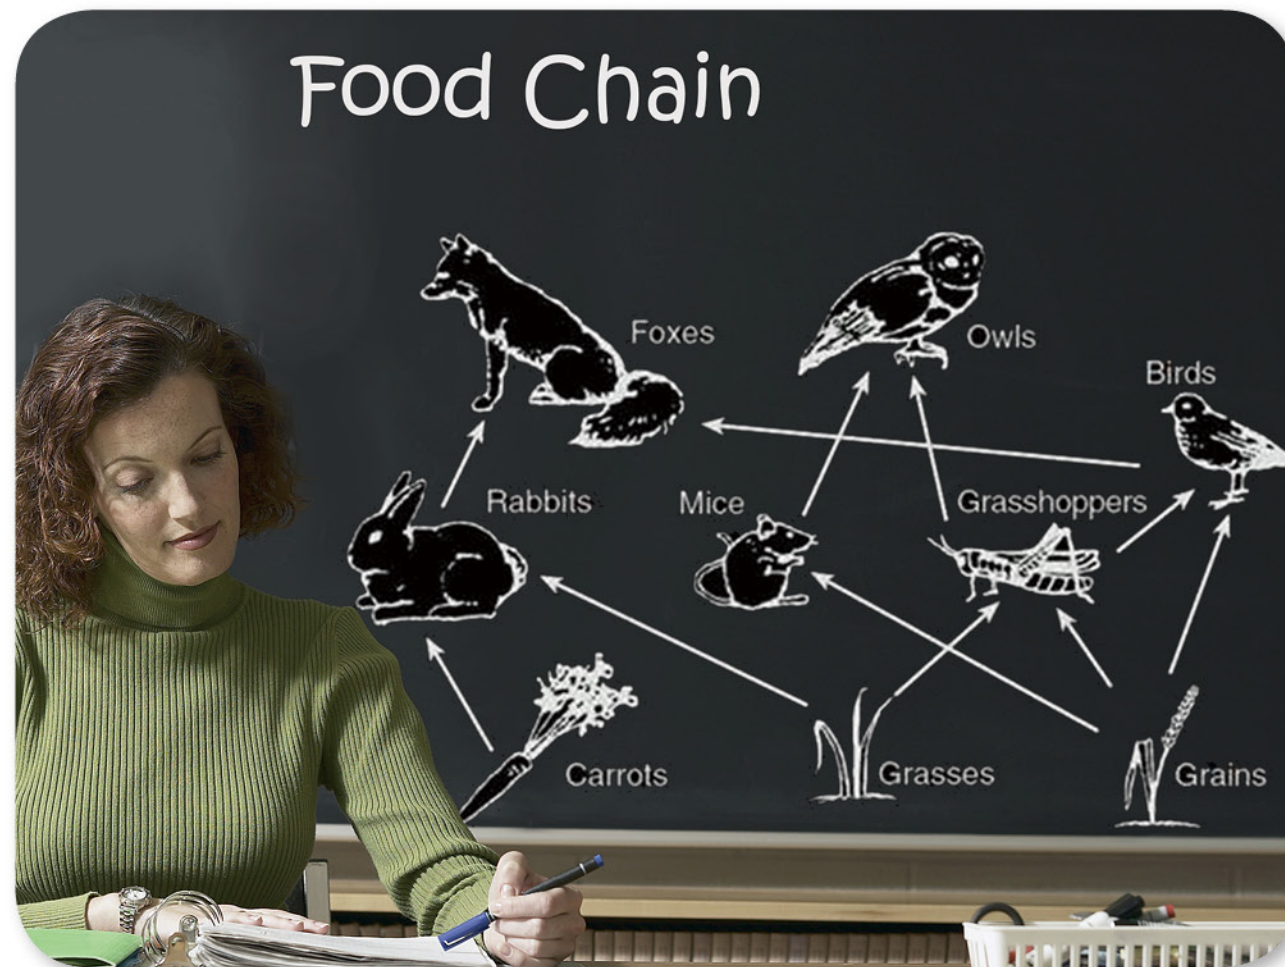

## Reading 4 min

**Read with the teacher and then move to the Word Focus.**

In Matt's eyes, all the beautiful pictures from his biology book can't compare to his teacher's drawings on the blackboard. She uses only chalk to draw animals, plants, and **intricate** food chains. For Matt, she is not only his favorite teacher, but also his biggest role model.

### Word Focus

- It will take me days to put the pieces of this puzzle together, as it is very **intricate**.
- Do you like to solve **intricate** puzzles?

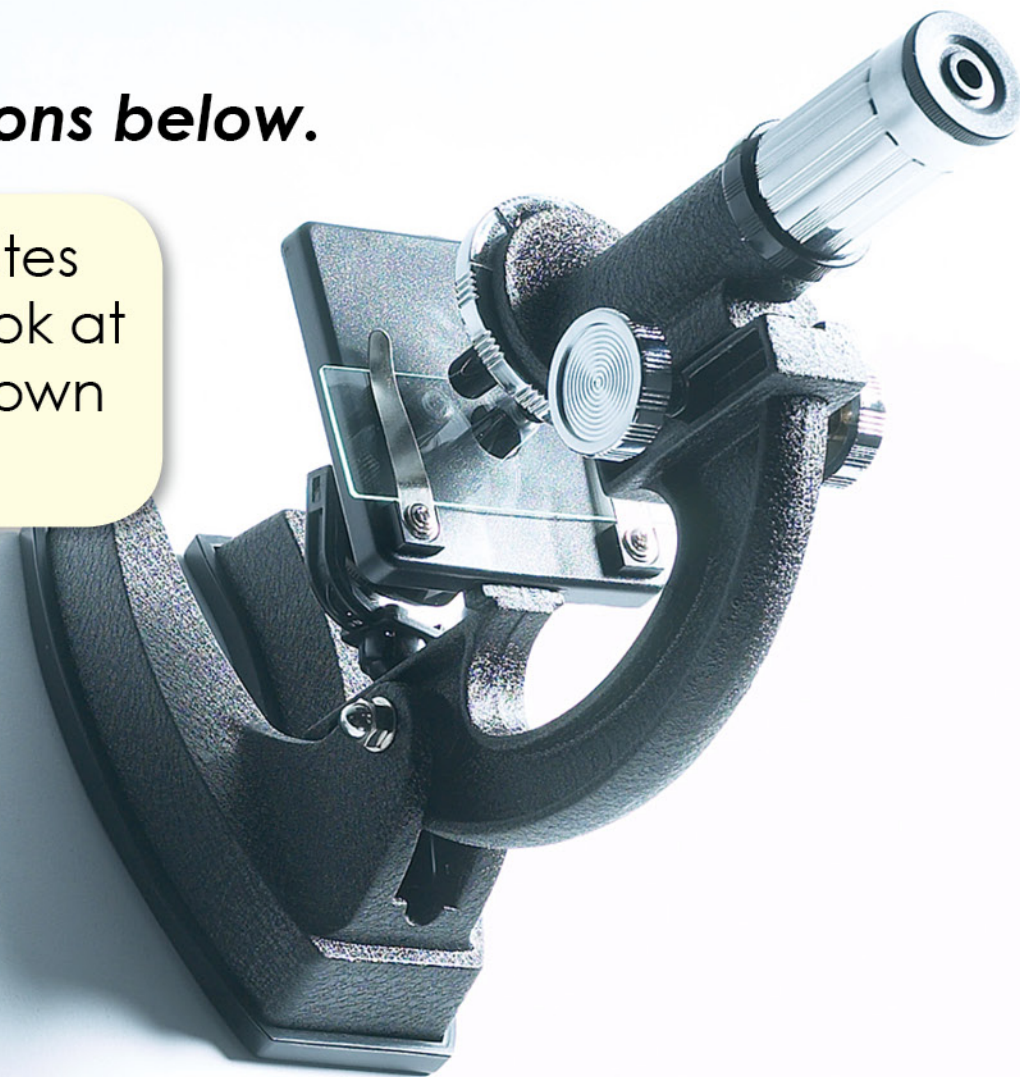

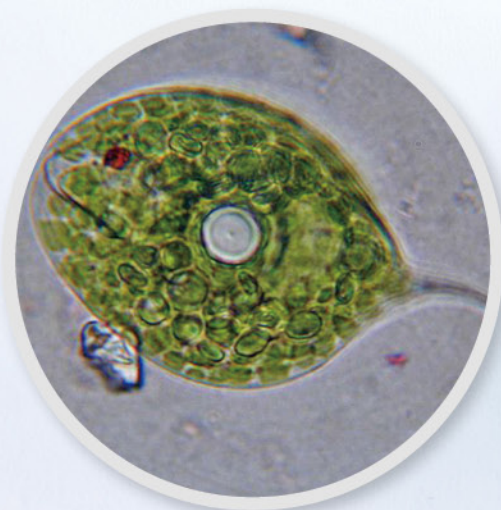

To be continued... >>

## Reading 4 min

**Read with the teacher and then answer the questions below.**

Sometimes during biology classes, Matt and his classmates use **microscopes** to look at tiny **organisms**. After they look at these organisms for a few minutes, they have to write down about the things they saw.

Have you ever seen or used a microscope? When?

To be continued... >>

**Reading****3** min

Read with the teacher and then answer the questions below.

Matt dislikes most **assignments**, but he does enjoy the ones his biology teacher gives him. Matt thinks it's more like playing rather than homework, as he is often required to go outside to look for certain animals or plants.

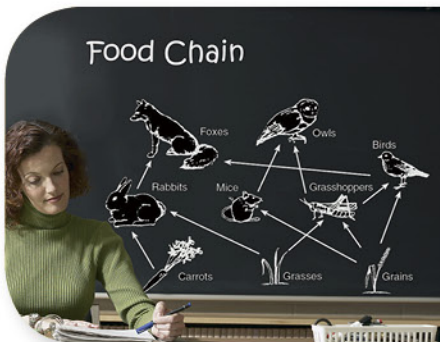

Have you ever got a fun assignment from a teacher? If yes, what was it?

**Task****4** min

Fill in the blanks by using the words from the Word Bank.

Matt studies \_\_\_\_\_ in his  
\_\_\_\_\_ classes.

Matt's biology teacher can draw  
beautiful plants, animals, and very  
\_\_\_\_\_ food chains.

Sometimes during biology classes, Matt  
and his classmates use \_\_\_\_\_  
to look at tiny \_\_\_\_\_.

**Word Bank**  
organisms  
zoology  
microscopes  
biology  
intricate  
assignment

HINT: Not all words  
can be used.

More challenges! >>

**Leadership****4** min

**Discuss with the teacher.**

Q1. Do you like biology classes? Why or why not?
