Reading

4 min

Read with the teacher and then move to the Word Focus.

The Great Barrier Reef is what's located off the coast of Queensland. It is believed to be the world's largest coral reef system, made up of many **individual** reefs and over 900 islands that **stretch** as far as the eye can see.

Word Focus

- My class has many **individual** students.
- How many **individual** students are in your class?

To be continued... >>

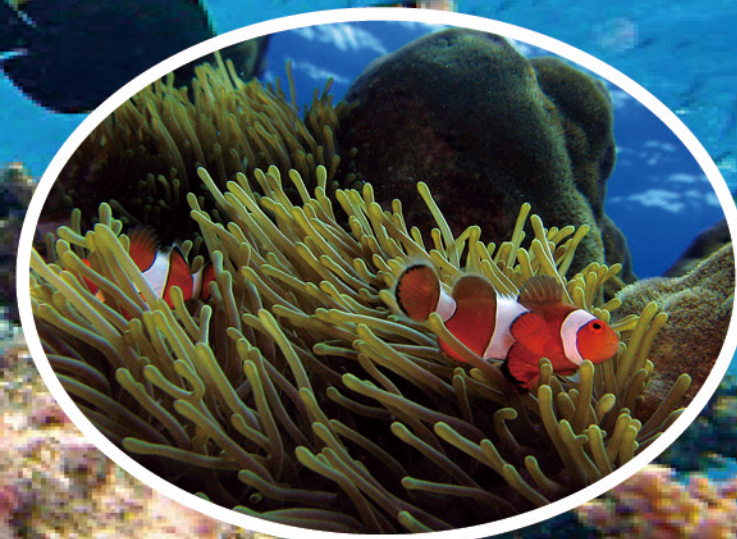

Reading

3 min

Read with the teacher and then answer the questions below.

The Great Barrier Reef looks just as beautiful below the surface as it does from the sky. On the **seabed** you will see the most colorful fish and the most amazing **reefs** in the world.

Is the Great Barrier Reef's seabed beautiful? Why?

To be continued... >>

**Reading****4** min

Read with the teacher and then answer the question below.

The Great Barrier Reef is a popular destination for millions of people every year. People like going to the shallow reefs where they put on a **snorkel** to see what beautiful creatures and plants are below the surface.

Why is the Great Barrier Reef a popular destination?

Let's practice! >>

**Task****4**

min
