

Count Dracula

We are going to learn about the horror character Dracula.

Warm-up

2 min

Do you enjoy watching scary movies? Why?

Reading

4 min

Read with the teacher and then answer the question below.

Dracula is one of the most famous characters in popular culture, and by far the most famous **horror character** in the world. Legend has it that the **vampire** Count Dracula originates from Transylvania, where he dwells in a haunted castle.

Have you ever read any books or seen any movies about Dracula?

Reading 3 min

Read with the teacher and then answer the question below.

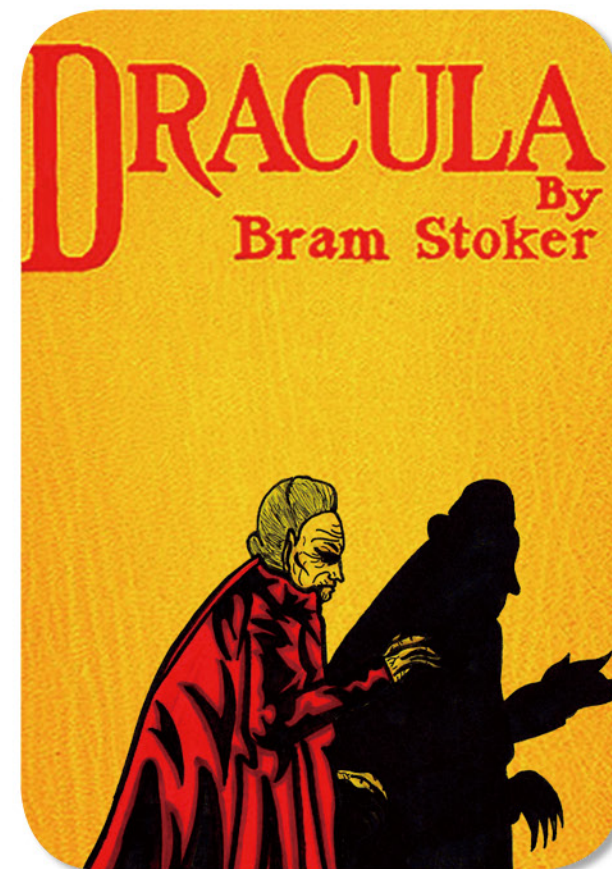

Dracula was introduced to the world in 1897 by Irish author Bram Stoker. Although Stoker did not invent the first vampire, *Dracula* is the most well-known vampire novel and one of the most renowned **horror novels** in the world.

November 8, 1847 – April 20, 1912

How old was Bram Stoker when *Dracula* was published?

Reading

3 min

Read with the teacher and then answer the question below.

According to stories, vampires do not grow old and die. At night, they wake up from their **coffins** to seek the blood of a living person. They must return to their coffins before **dawn**.

Do you know any other creatures that sleep during the day and hunt at night?

Reading 4 min

Read with the teacher and then move to the Word Focus.

Dracula has many **supernatural** powers, such as shape-shifting (transforming into animals) and hypnotism (controlling people's minds). He also has weaknesses like garlic, objects made of silver and sunlight.

Word Focus

- Superman has **supernatural** powers.
- What **supernatural** powers would you like to have?

Let's practice. >>
