

The Greatest Building in Rome

We are going to learn about the greatest building in Rome.

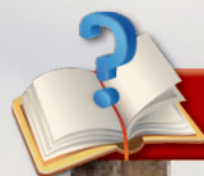

Warm-up

2 min

Do you know the names of these landmarks?
What are they?

Reading 4 min

Read with the teacher and then answer the question below.

The Colosseum stands in the center of Rome. It was built during the **dynasty** of three emperors in the Flavian period about two thousand years ago.

Are there any monuments in the center of your city?
What are they?

**Reading****3** min

Read with the teacher and then answer the question below.

The Colosseum is an oval, roofless building that could accommodate around 50,000–80,000 people. It is also called the Flavian **Amphitheater**. As an ancient **entertainment** center, many contests, animal hunts, and plays happened there.

What can people do at an entertainment center these days?

To be continued... >>

Reading

3 min

Read with the teacher and then answer the question below.

The Colosseum is known as the oldest and greatest piece of **architecture** ever built in Roman history. For this reason, it is Rome's most popular tourist attraction.

What is the most popular tourist attraction in your country?

To be continued... >>

Reading

4 min

Read with the teacher and then move to the Word Focus.

Tourists can take **guided tours** while visiting the Colosseum's **underground** rooms. These rooms were once closed to the public and now only a few hundred people are allowed to go inside at a time to prevent them from breaking.

Word Focus

- Lucy catches the train home from an **underground** subway station.
- Do you know any buildings that have **underground** rooms? What are they?

Let's practice. >>

**Task****4**

min

Search for the words listed in the Word Bank.
