Endangered Giants

We are going to learn about the endangered blue whale.

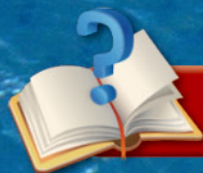

Warm-up

2 min

What comes to your mind when you look at this picture?

**Reading****4** min

Read with the teacher and then move to the Word Focus.

Blue whales **roam** throughout the world's oceans, communicating with complex and mysterious sounds. They are **unmatched** in size and weight as they can reach lengths of more than 30 meters and weigh up to 200 tons. That's as much as 33 elephants.

Word Focus

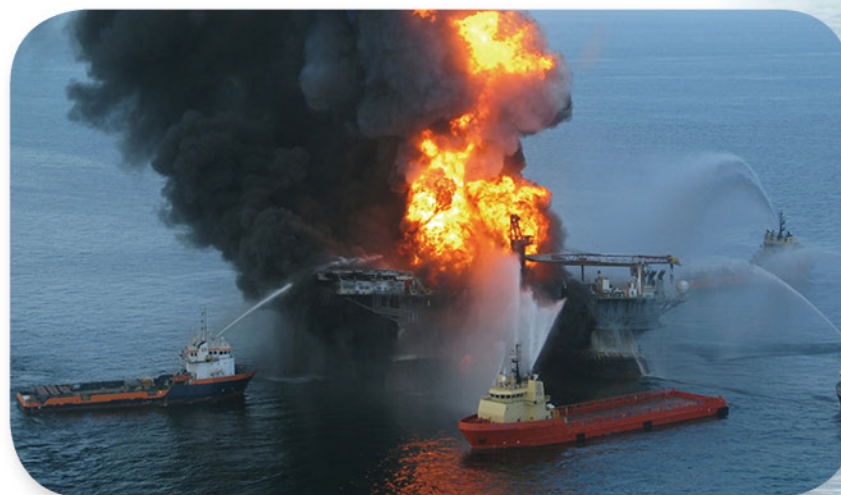

- My parents allow me to **roam** in the forest near our house.
- Would you like to **roam** in a jungle?

To be continued... >>

**Reading****3** min

Read with the teacher and then answer the question below.

Like other **endangered** animals, human activities threaten the existence of blue whales. Statistics show that there are only 12,000 blue whales in the world today.

Can you tell what human activities endanger blue whales?

To be continued... >>

**Reading****3** min

Read with the teacher and then answer the question below.

There was a lot of hunting in the past, so many kinds of whales almost became **extinct**. In 1966, the International Whaling Commission made blue whales a protected species and **banned** all whale hunting.

Have you heard about the famous novel *Moby-Dick*?

To be continued... >>

**Reading** **4** min

Read with the teacher and then answer the question below.

Blue whales are at the top of the food chain and have an important role in the overall health of the **marine** environment. Unfortunately, their large size does not protect them from humans.

What can you do to protect blue whales?

Let's practice. >>

**Task****4**

min

Match the text boxes to complete the sentences.

Blue whales are the largest

in the overall health of the marine environment.

Like other endangered animals,

human activities threaten the existence of blue whales.

In 1966, the International Whaling Commission

animals that roam the oceans.

Blue whales have an important role

made blue whales a protected species.

More challenges! >>

Leadership

4 min

Discuss with the teacher.

Q1. What do you think of whale hunting?
I think whale hunting...

Q2. What would you tell hunters to make them stop poaching endangered animals?
I would tell them...

**Wrap-up****1** min**In this lesson, we...****learned about the endangered blue whale.****learned new words.**
