3.2 Here is another model for the IELTS Speaking Part 2. We will focus on the sentences highlighted below. (4 mins)

Model 2

When and what: I graduated a few months ago. After leaving my university, I started working as a sales manager assistant in a company.

Why: I felt very lucky that I got appointed by a big and prestigious company. Every day, I need to deal with many challenging tasks. Through dealing with these tasks, I acquired many practical skills, such as cooperation skills and problem-solving skills, which made my work more efficient in turn.

How: Since I joined this company, I had to make a shift from my student life to corporate life. I needed to apply what I have learned to my work and keep learning new skills rather than acquiring knowledge alone. In addition, now I can enjoy economic independence and not need any financial help from my parents, which is really cool. I have a big ambition for my career and now I feel that I am on the right track. I will work hard to achieve my goal.

You are required to talk for the full 2 minutes.
