

JOURNEY to the WEST 73

Two Wukongs

Wujing watched as the fake Wujing
fed the horse some hay. . .

When Wujing arrived at Mount Potalaka. . .

Guanyin came out of her pagoda.

“Wujing, what are you doing here?”

Wukong made a fist.

“Someone is pretending to be me!”

Wukong and Wujing soon arrived on
the Fruit and Flower Mountain.

Wukong attacked, and so did the fake Wukong.

“Wujing, help me!” cried one Wukong.

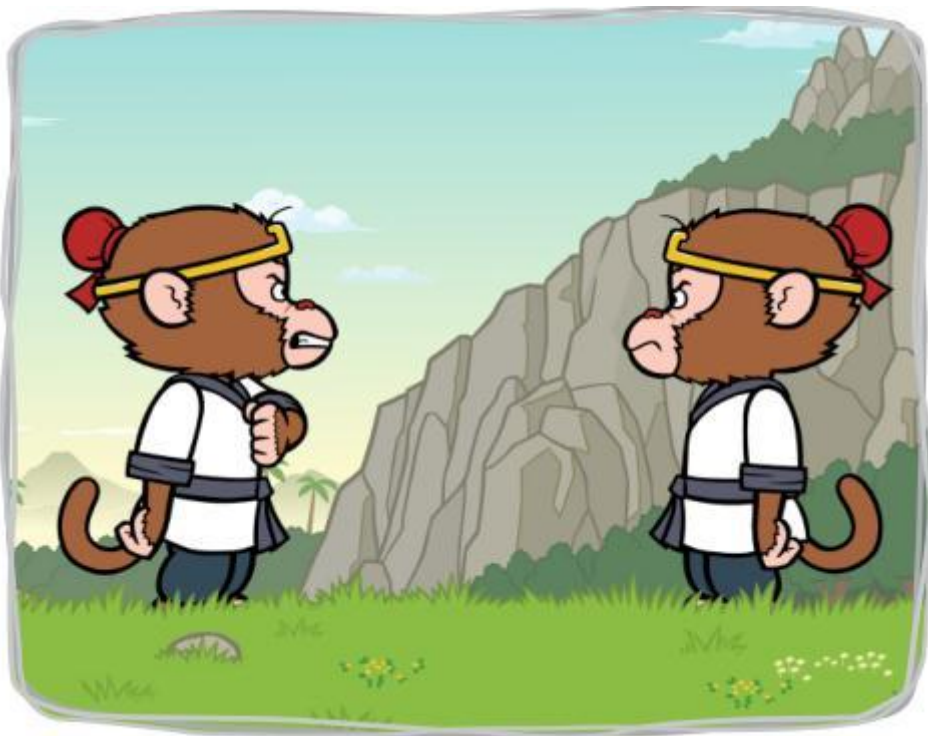

Wujing looked from one Wukong to the other.

“Who is the real Wukong?”

“I don’ t know which one of you is
the real Wukong,” said Wujing.

The two Wukongs glanced at each other.

Soon the two Wukongs stood before Guanyin.
