

JOURNEY to the *WEST* 76

The Iron Immortal

Wukong was once again traveling west
with the Tang Monk.

The travelers soon reached a village.

“Where are you going?” asked the man.

The man frowned.

“You can’ t travel westfrom here.”

“Then we must wait for a strong rainstorm,”
said Bajie.

She won’ t listen to you,” said the man.
“She is very powerful.”

Wukong was soon on the Iron Immortal's mountain.

The door flew open, and a tall woman appeared.

The Iron Immortal shrieked. “That’ s even worse!”

Whoosh! The Iron Immortal waved the fan.
