The Magic Cloth

Oh no, ” thought Wukong.

“Yellow Brows is coming!”

Wukong helped the Tang Monk up onto the horse.

“You can’ t escape from me!” shouted the demon.

Wukong, Bajie, and Wujing pulled out their weapons.

Yellow Brows threw the cloth toward the group.

As Wukong was wondering what to do,
two spirits approached him.

“We’ re from Wudang Mountain,” said the turtle.

“We’ ve come to help you.”

Wukong banged on the monastery door.

The turtle and serpent weren' t fast enough.

The cloth wrapped around them.

Wukong looked toward the voice
and saw a man with a big belly.
