The Melon Field

Are you sure you can help?”

Wukong asked the Buddha Maitreya.

“I can defeat Yellow Brows,” said Maitreya.

The door flew open,
and Yellow Brows stepped out.

Wukong pulled out his iron bar
as the demon rushed toward him.

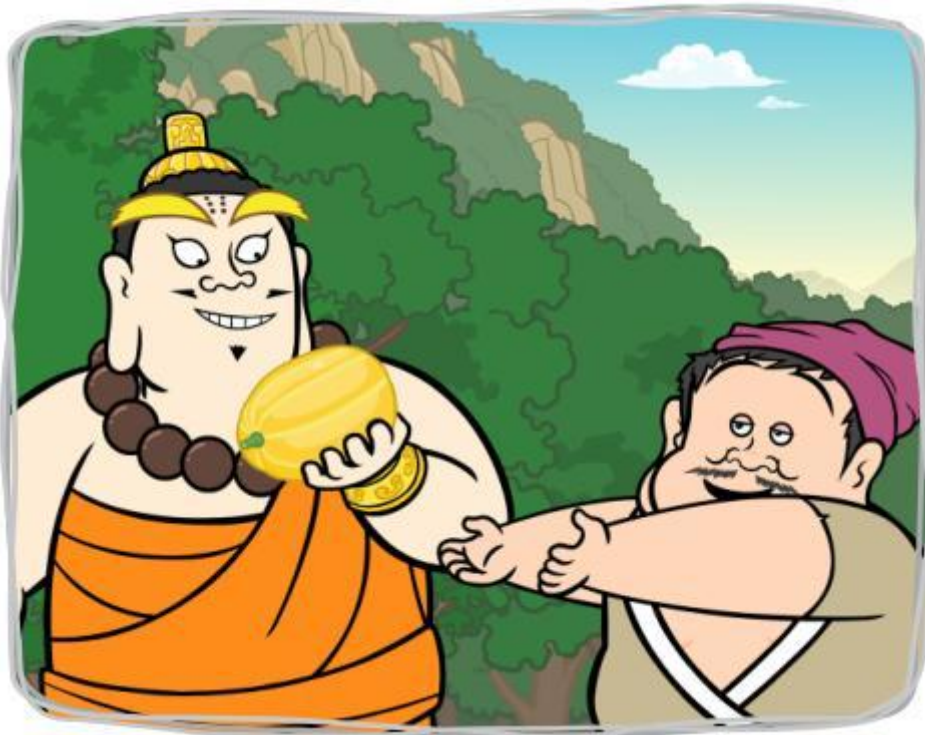

“I can’ t fight you anymore!”

Wukong turned and ran away.

Then the demon noticed all the melons.

Yellow Brows lifted the melon to take a bite.

The demon fell to his knees.

“Ugh! What was wrong with that melon?”

Maitreya glared at the demon.

“Give me my magic cloth.”

Wukong untied his companions and
the other spirits.

“Thank you, Wukong,” said the Tang Monk.
